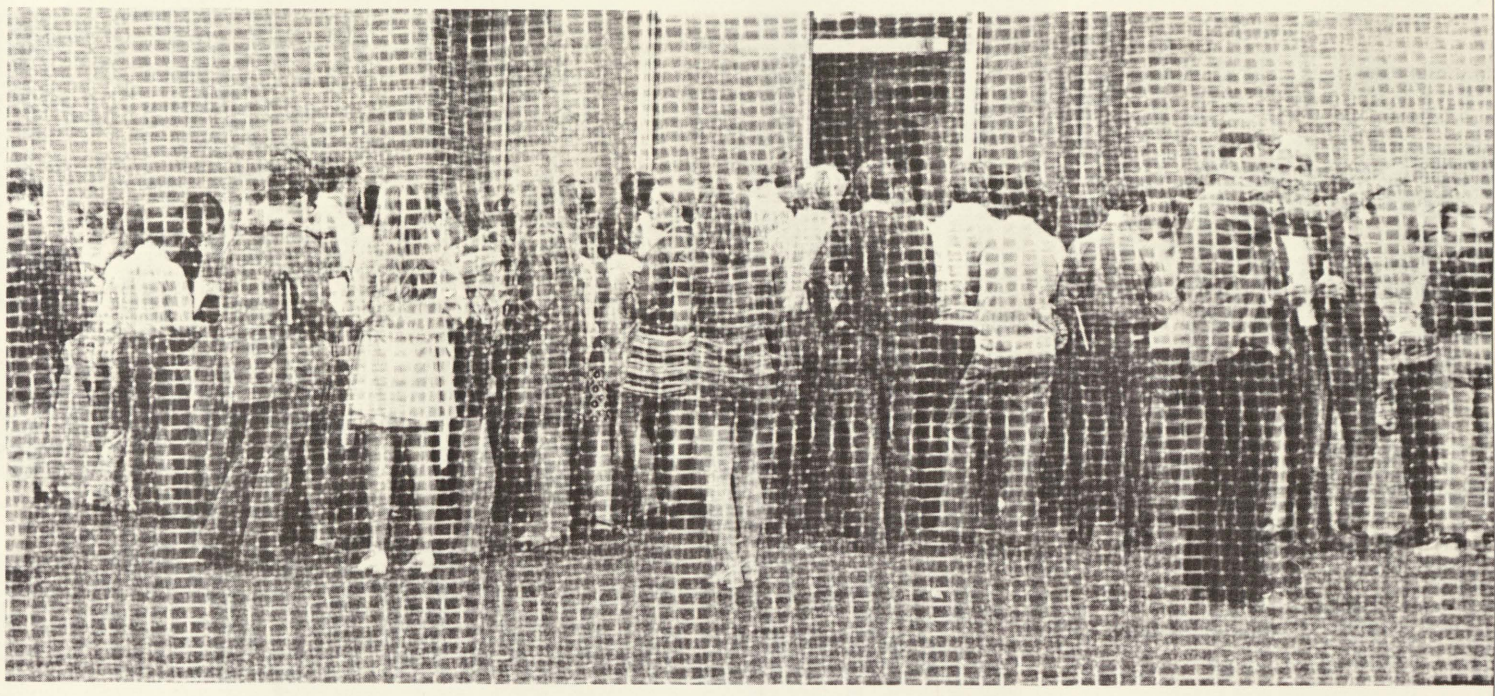
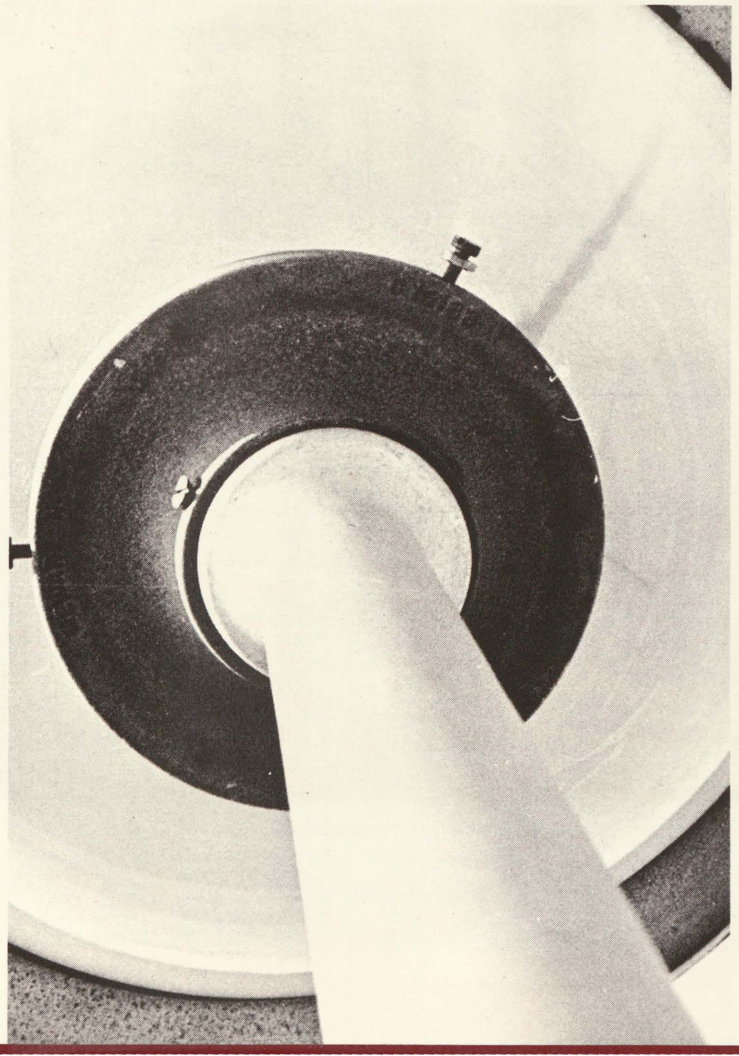
Registration Day Bustles

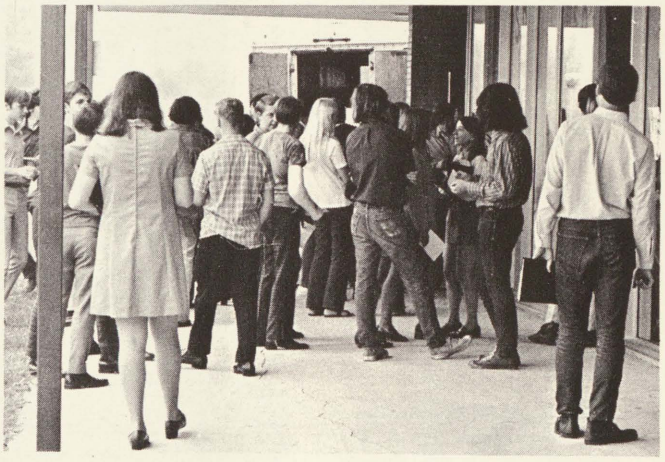
Due to the state ruling of no registration fees, the time required for registration was cut in half.

with 1,925 Generals



Juniors crowd around the student sales room to pick up their class rings.





On a rainy September 4th, 1,925 students picked up their schedules for the 1970-71 school year. This group is the largest number to ever crowd the halls of MacArthur. The day was full of activities as seniors received their parking stickers; juniors, their class rings; and the 520 freshmen took a look at the school where half of them would spend their next four years; and for the first time yearbooks from the 69-70 year were picked up.

The two South American exchange students, Cecelia Lagos (Chile) and Marie Villagro (Argentina) stop to chat in the library for a few minutes.

Exchange Program Promotes Free Thinking

Six exchange students from MacArthur left for their adopted homes at various times during June for an exciting summer abroad. Living with a family for a summer helps students learn other cultures, customs, and promotes free thinking. In addition, six exchange students from other countries were able to come to the U.S. to study for a year at D.M.H.S. They lived with various Saginaw families. Patti McLeod Named Homecoming Queen

Caught by a Knight, Mike McConnell and Dave Abbenante aid Dale Zwak.

A disappointing loss to Buena Vista dampened the spirits of the annual Homecoming. When the Greyhounds and the Hedge Hogs started their sound, they brightened the theme "Atlantis". The idea for the dance came from the decoration chairman, Cindy Strong. The gym was decorated to resemble an underwater world.

The voting for the queen and court was different than in past years. Only Seniors and Juniors voted for the semi-finalists. Then it was an all-school vote for the finalist with the senior vote counting triple, juniors double, and sophomores and freshmen votes combined to count as one.

The fifteen semi-finalists were: Patti McLeod; Pam Johnson, Louise DeCamp, Wendy Ward, Dede Draper, Trish McDonald, Mary Eustis, Sharon Suppes, Deb Dixon, Deb Patrzik, Pam Stark, JoAnne Millerick, Kathy Vandenberg, Suzie Sommerville, and Cathy Whelton.

Freezing Weather Hampers Turnout

The annual Turkey Trot was marked by poor attendance due to freezing winter weather. Though there were few spectators, students still turned out to participate in the events.

Eddie Rodriguez and Ann McDonald claimed turkeys in the Boys' and Girls' Turkey race.

Junior and Senior girls battled ice, snow, and each other on the football field, but the score remained 0-0 at the end of four, three minute quarters.

The float competition was a hard fought contest. The Juniors came out on top, followed by Freshmen, Sophomores, and Seniors. The Latin Club took the "best float" award with their giant Trojan Horse.

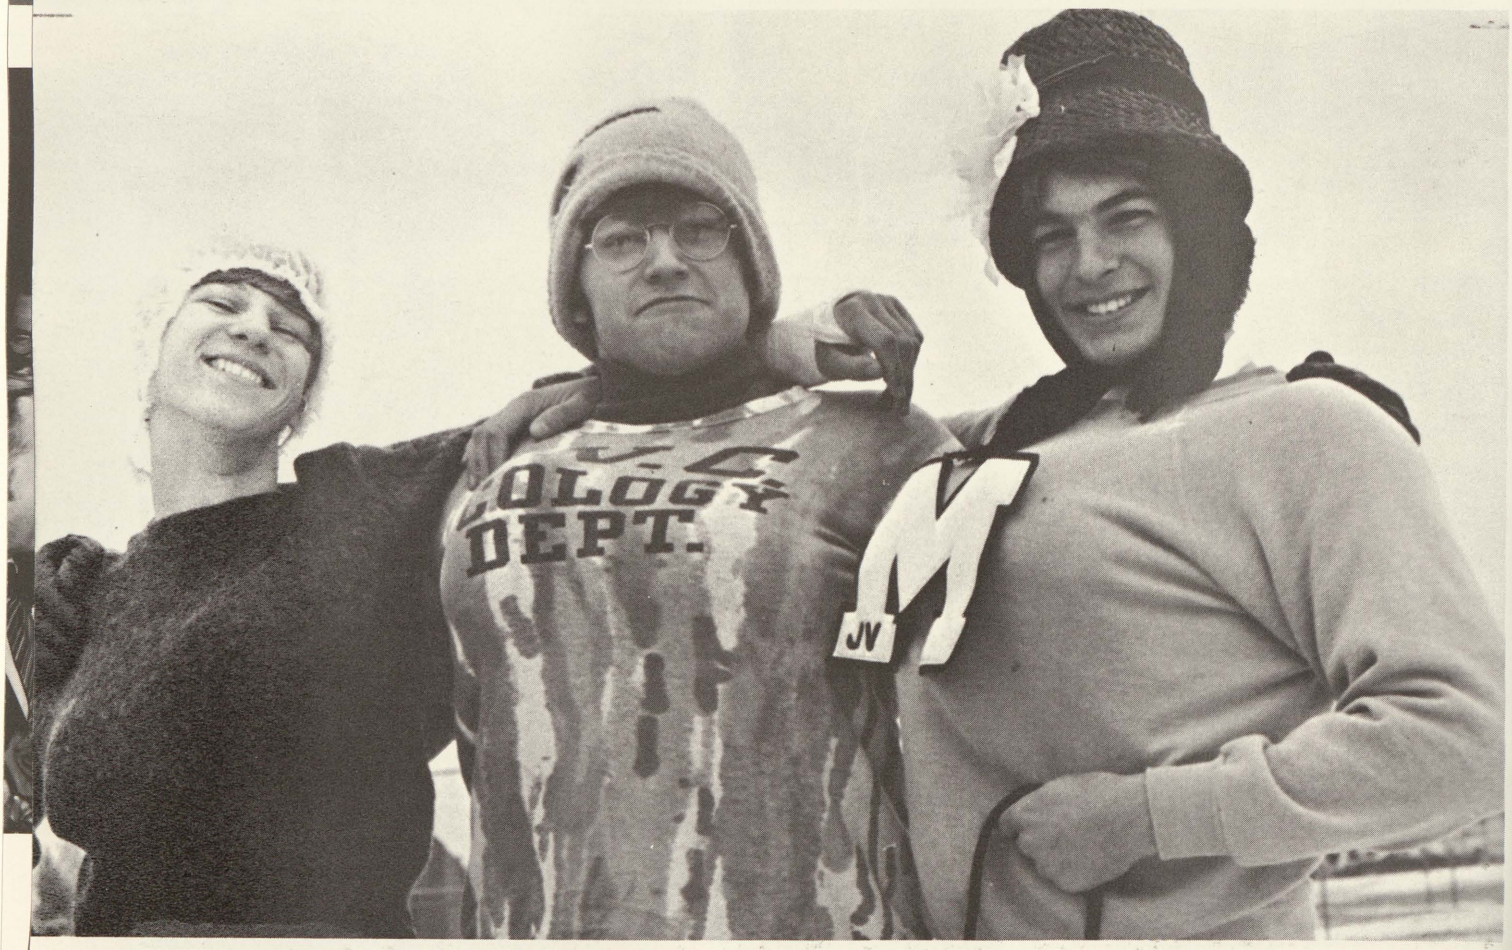
Junior cheerleaders, Gary Dixon, Mike James, and Jeff Sams display their new uniforms.



For Annual Turkey Trot

Taking fourth place, the Senior float didn't quite meet the expectations of the Seniors.

The winning float was made by the Juniors.

While the Senior cheerleaders held a pep rally in the middle of the field, the officials discussed the rules for the game.

Audience Participation Highlights Fall Play

"The Night of January 16th", the fall play this year, added a new twist to dramatics at MacArthur. It was the first play of its kind to involve the audience. People were selected from the house to decide the verdict of the play. The actors had two different endings, depending on the outcome.

The spring play, "Ah! Wilderness" by Eugene O'Neil, concerned itself with family living at the turn of the century. It is the story of a young man finding out what life is really all about. Both plays were under the direction of Miss Phillips.

Outraged by the insults handed to him, John Whitfield, played by John Sieweke, stands to defend himself from the accusations of Defense Attorney Stevens, portrayed by Charlie Hunter.

Terri Zetzar, portraying Nancy Lee Faulkner, answers D. A. Flint's (Bob Bethune) questions.

Students Offered Variety of Assemblies

This year's range of assemblies was wide and varied, as MacArthur students were entertained by two musical groups, "The Potter's Clay" and "The Bloody Truth", and the annual Campus Life presentation. In trend with the rising interest in ecology across the nation, it was no surprise to find ZPG (zero population growth) talking to DMHS students about the dangers of over-population.

Dances were also plentiful this year. Sponsored by various classes and clubs, many of the dances had tremendous turnouts, yielding a good profit. A few of the groups included "Hush", "The Tonics", "The Hedgehogs" and "Haymarket Riot".

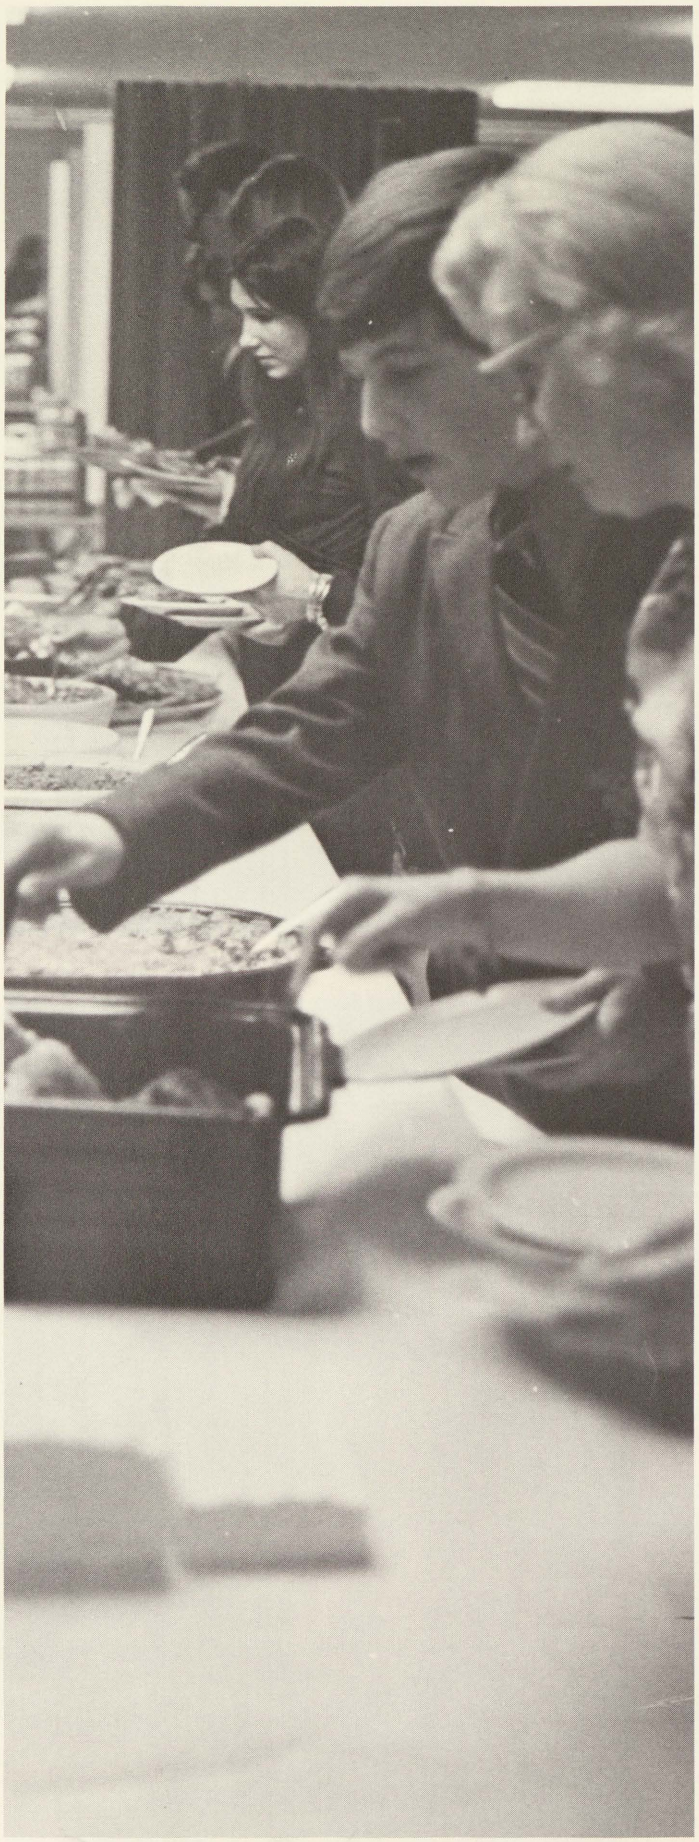
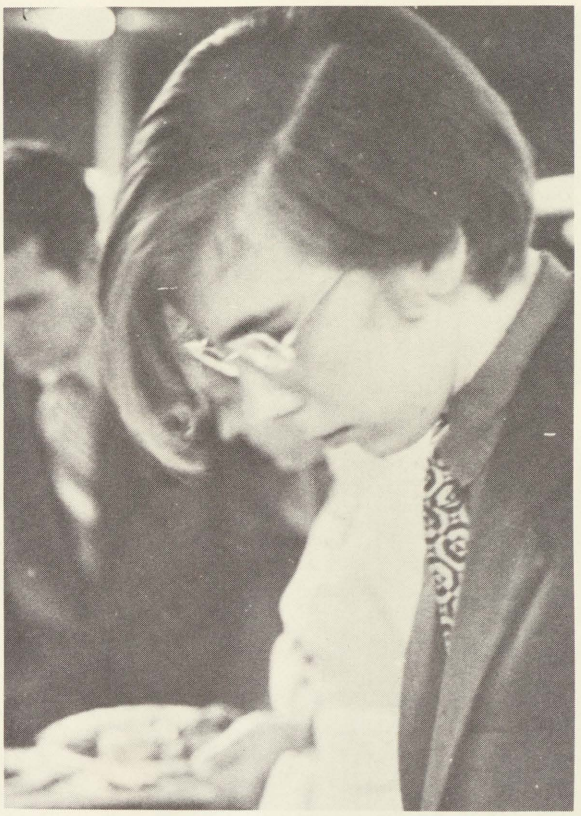
Special Honors Highlight Honors Banquet

In addition to the honors regularly bestowed on outstanding students, this year's honor banquets were highlighted by many types of achievements. Senior Debbie Reitz was presented the Betty Crocker Homemaker Award. This is given only to those students who pass a difficult series of homemaking tests. Miss Hall and the debate team were awarded the Flint Novice Championship plaque, and Carol Cornell accepted an Anti-pollution award on behalf of the anti-pollution club. The award was previously received at a reception in Oregon. Accepting the coveted Principal's Service Award was Debbie Dixon.

Mary Harrington, Carol Cornell, and Diane Polasky received the Yearbook, speech and English awards at the Senior Honors banquet.





There was plenty of good food for everyone to eat at the three honors banquets sponsored by the Booster Club.

"A Time For Us"

120 Juniors danced in a summer garden created by murals of flowers, rivers and trees. The gay mood of the dance was heightened by the sound of the "Wild Cherry." The theme for the Junior Prom was "A Time For Us". The dance was held in the kiva on May 1, 1971.

Nostalgia in An Oriental Setting

"Oriental Enchantment" was the theme of the 1971 Senior Prom, which was held on May 15 and ran from 8:30-1:00. The kivateria was lavishly decked with oriental decorations consisting of Chinese muarls, flowers, and a fountain. The evenings entertainment was furnished by a jazz music group from S.V.C., Billy and the Rebops.

Trip and Party Close The '71 Senior Year

The theme for the 1971 graduation ceremonies was "DMHS Takes on a New Meaning." The student speakers chose the theme and each spoke on a topic beginning with the letters of DMHS. Tok Calvert spoke about "Duty", Diane Polasky, "Maturity"; Class President Scott Williams, "Hope"; and Greg List, "Sincerity". The Senior roll call was read by class officers Wendy Ward and Weezie DeCamp. The mistress of ceremonies was Sharon Suppes, class vice-president.

"DMHS Takes on A New Meaning"

Because of the State law requiring 180 days of school attendance, Seniors were almost forced to hold the Senior trip on a Saturday. After much discussion between Mr. Huyghe and the State Board the trip was permitted to be held on Friday, June 4th. Traditionally the Senior class voted to go to Cedar Point. Leaving school at 5:45 a.m. and returning about 12:30 p.m., Seniors enjoyed the many different forms of amusement that the park offered.

The original plans for Senior Party were changed. Because of the closing of the Den, the party was scheduled to be held at the Knights of Columbus Hall. Upon the re-opening of the Den, renamed FDM, the party was changed to the traditional place. Thus the bands; Plain Brown Wrapper, Zubra and Ormandy found themselves playing under the roof that had housed many previous DM Senior parties.

Cheerleaders Ignite Spirit; Boost Morale

Organized to boost school spirit and team morale, the cheerleaders encouraged student interest in our athletic teams. The D.M. cheerleaders showed their championship style even before the school year began by participating in the International Cheerleading camp. The Varsity squad took first place and the JV team was not far behind in fifth place.

The opening of Eisenhower at the semester split two of the squads; JV and Freshmen. The need to fill the empty places brought the alternates up to the full time job of cheering.

Improving each year, the third year of the Pom Pom girls proved to be different than in the past. In addition to the traditional pom poms, the Varsity squad varied their routines with colored gloves and umbrellas. The girls themselves made up the routines and practiced three nights a week working them out.

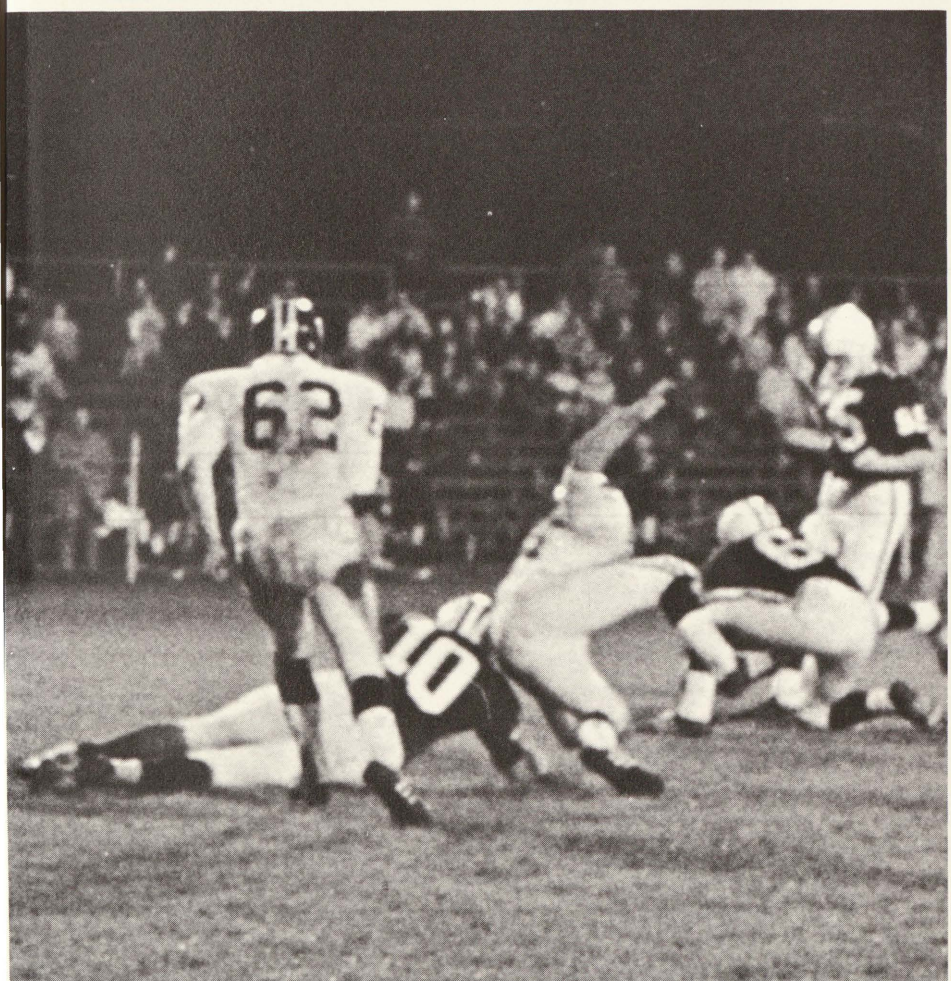
Generals Place Disappointing Third in WPC



After a frustrating opening game which Flint Kearsley won 7-0, the Generals rallied to win their next three games, Arthur Hill (24-12), Bridgeport (28-0), and John Glenn (32-0). The Generals then ran head on into Midland Dow and lost (34-0). MacArthur then dropped its next two key conference games, the first one to Mt. Pleasant (22-8) and then to Buena Vista (14-9). A rugged North Farmington team continued its winning streak by defeating the Generals with a score of 56-0. MacArthur came on with a strong finish for its final game, downing Flint Carman (14-8).

Generals in Action

MacArthur was privileged to have three generals who made the all-conference team this year. Gary Goodman, who was a defensive halfback and made four interceptions, Pat Kelly, who was the leading tackler with a 102, and Don Gilbert, who played a tough defensive end, were the ones who made it. All three players were from the defensive squad.

MacArthur's J.V. Dynasty Continued

The Junior Varsity team turned out another exciting and breath-taking year. Under the direction of Mr. Mikolajczak and Mr. Lukowski, the J.V. football team went undefeated for the second season and continued to carry on the J.V. dynasty. This year's J.V.'s set many new records. They saw the fewest points given up and the most scoring ever done.

This year's Frosh set the best record ever with six wins and one loss. The only blemish to their record was a tough game against the Bay City All Saints.

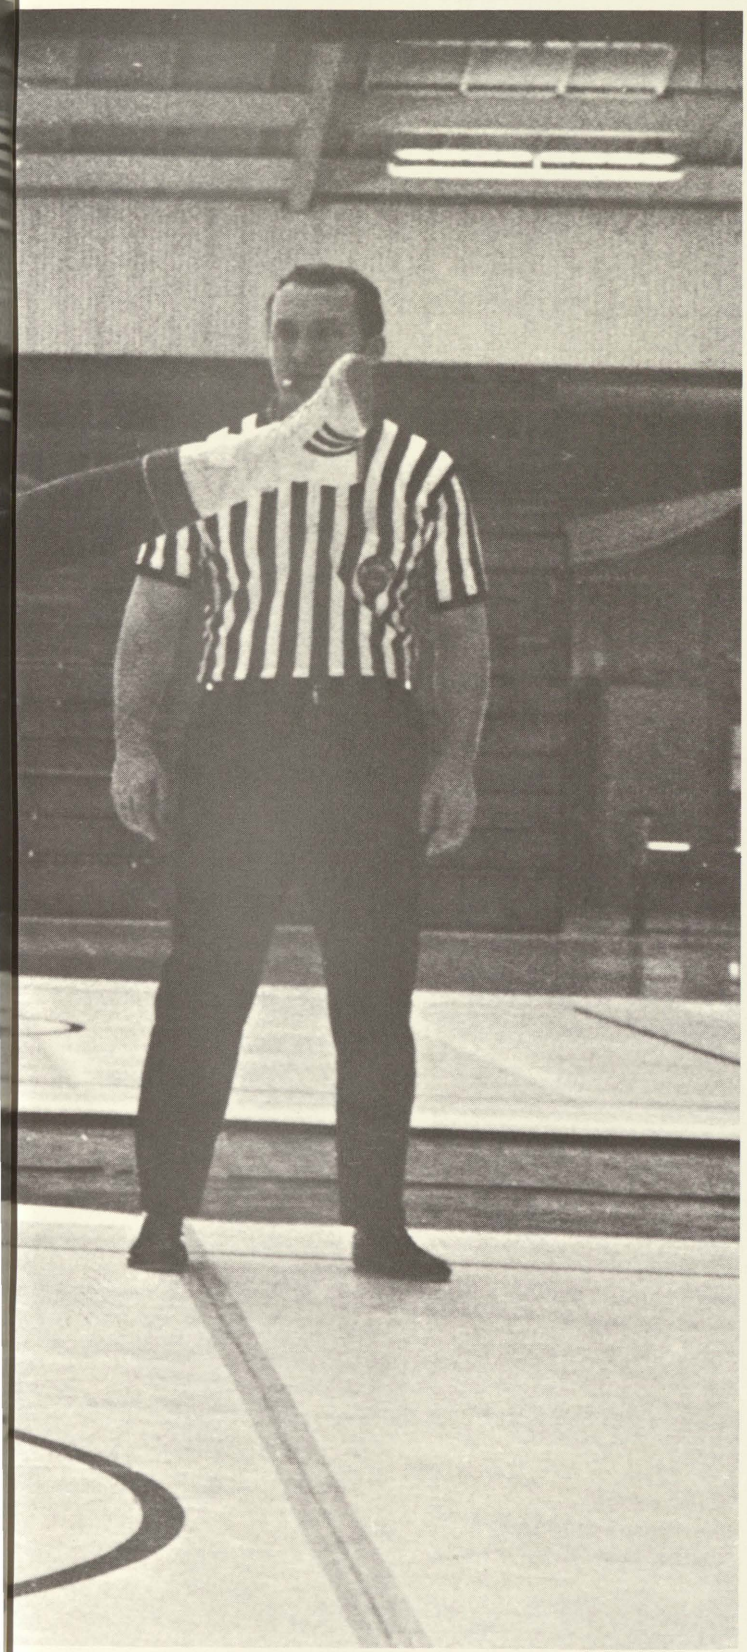
Takes 1st in Districts



Mr. Skillman does his part from the sidelines.

Challenged by more experienced teams, our wrestling Generals took a second in the WPC for the first time. The young team came a long way this season. The year was one of gradual improvement and increased individual experience. This training and experience seems promising for next year's squad when a large group of sophomores and juniors will return.

There were four Generals who placed in the districts. Mike Powers took an impressive first place, while Greg List, Randy Gifford, and Pat Kelly placed second in their divisions.

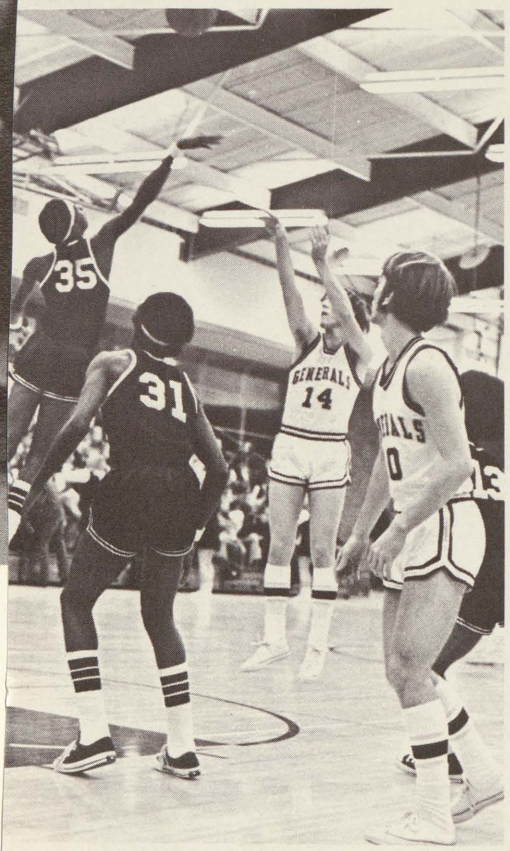
DM Conference Hopes Shattered

With conference hopes shattered by disappointing losses to each WPC member, the Generals season proved to be discouraging. John Glenn and Bridgeport, easy wins in past years, eluded the Generals as they split the two meetings. Buena Vista and Mt. Pleasant proved to be even more difficult as each defeated the Generals twice.

As the leading scorer, Kip Crevia offered a bright spot at the beginning of the season, but it was not quite bright enough to bring up the loss record. Tim Madsen led the team in rebounds.

The outlook for the future still remains hopeful with seven possible returning lettermen. Leaving the team as seniors are: Kip Crevia, Bob Bomboske, Steve Ledtke, Bob Wickham, and Mike McConnell.



Mike McConnell hits at the top of the key for two points.

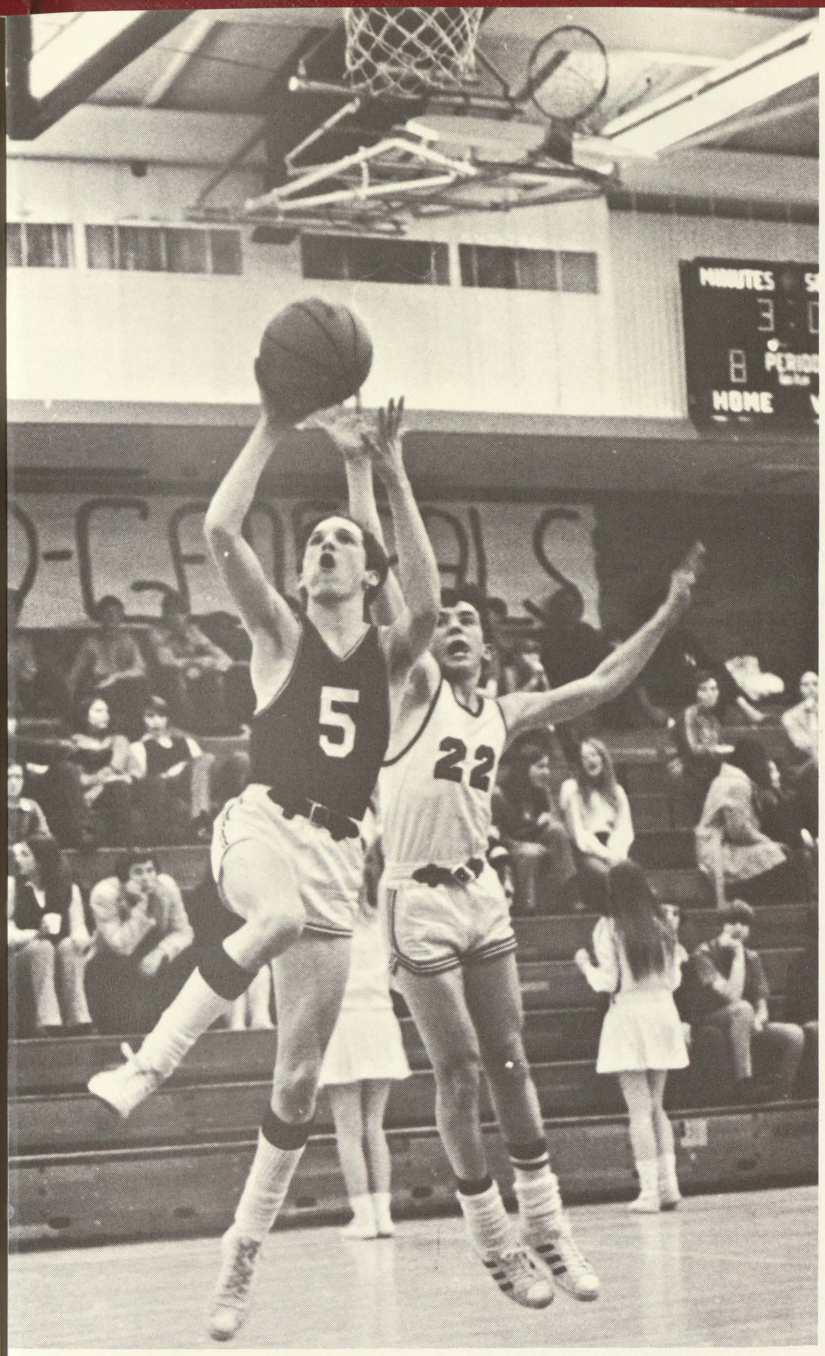
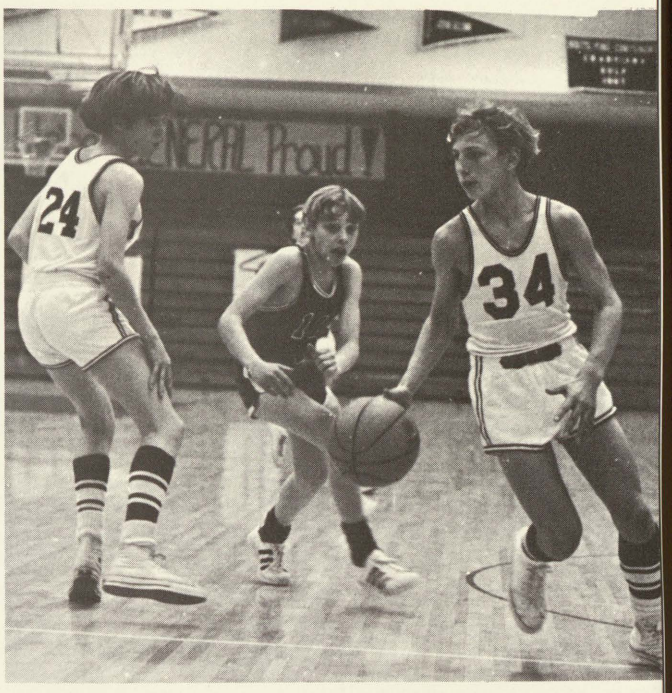
J.V.'s Finish 11-5

The J.V. basketball team, coached by the veteran Mr. Fenton, finished the season with an impressive 11-5 record. This was three games better than last year. The team played together as a unit. It consisted of three juniors and twelve sophomores. Bud Purcell, who was voted most valuable player, Mike Metzger, and Stu Johnston controlled the boards for the team. The playmakers turned out to be Bob Meyer, Ed Wickham, and Mike Perry.





Randy Piotrowski breaks open for a shot.

Bill Yeo goes up for two more points.

Frosh. End 13-17

MacArthur's freshman basketball squad finished the season with an 8-7 record for the A team and 5-10 for the B team.

The A's selected Bill Yeo as their Most Valuable Player for the 70-71 campaign. Bill was also the leading scorer with a 22 point average for the fifteen games. The Honorary Captain was Lowell Waite. Gus Cline was selected as Most Improved Player.

B team selections were R. Smith Most Valuable; R. Piotriwski Honorary Captain; and J. Foulds as the Most Improved Player on the team. Leading scorer was M. Meyer with 90 points.

Track Team 4th in WPC

With an overall 3-7 record, the track team placed a disappointing fourth in the White Pine Conference. The outlook for the future remains hopeful, though, as the leading point man, Dean Carter will return. Carter, a junior, was named honorary captain of the team. Marc DiMercurio was voted the most-improved team member. Seniors leaving are: Rusty Spaulding, Mark Miller, Rich Wiltse, and Greg List.

Generals Take Second in WPC

Ending the season with a 14-4 record, the Varsity Baseball team placed second in the WPC. The only threats proved to be Midland Dow and Mt. Pleasant as the Generals registered four losses against the two teams.

On the mound for the Generals this year were Mike McConnell, Don McEwen, Jerry Sagady and Gordy Koester. McConnell and McEwen handled the majority of pitching duties. Standouts of the year were Tim Metro and Jeff Sams who lead the team in hitting. Scott Williams shone in defense assignments.

The Generals will be losing 7 seniors, Williams, Metro, Collinson, McConnell, Ulicki, Feinauer, and McEwen.

Tennis Team Finishes 1st in WPC

The tennis team under the direction of new Coach Stocker finished with an over-all 10-5 record. This placed the team first in the White Pine Conference. They placed fourth in the Regionals. Leaving the team as Seniors are: Don Spence, John Ingell, Jamie Koerner, Dave Amble and Carl Loeffler.

uss Schmidt returns his opponent's serve.

Cross Country in Regionals

The cross country team finished the 1971 season with a 7-9 record. Under the direction of new coach Manny Stahl, the young Generals placed 19th of 26 schools in the Regionals. Losing only one member, Senior Rich Wiltse, the future looks hopeful with 16 possible returning lettermen.

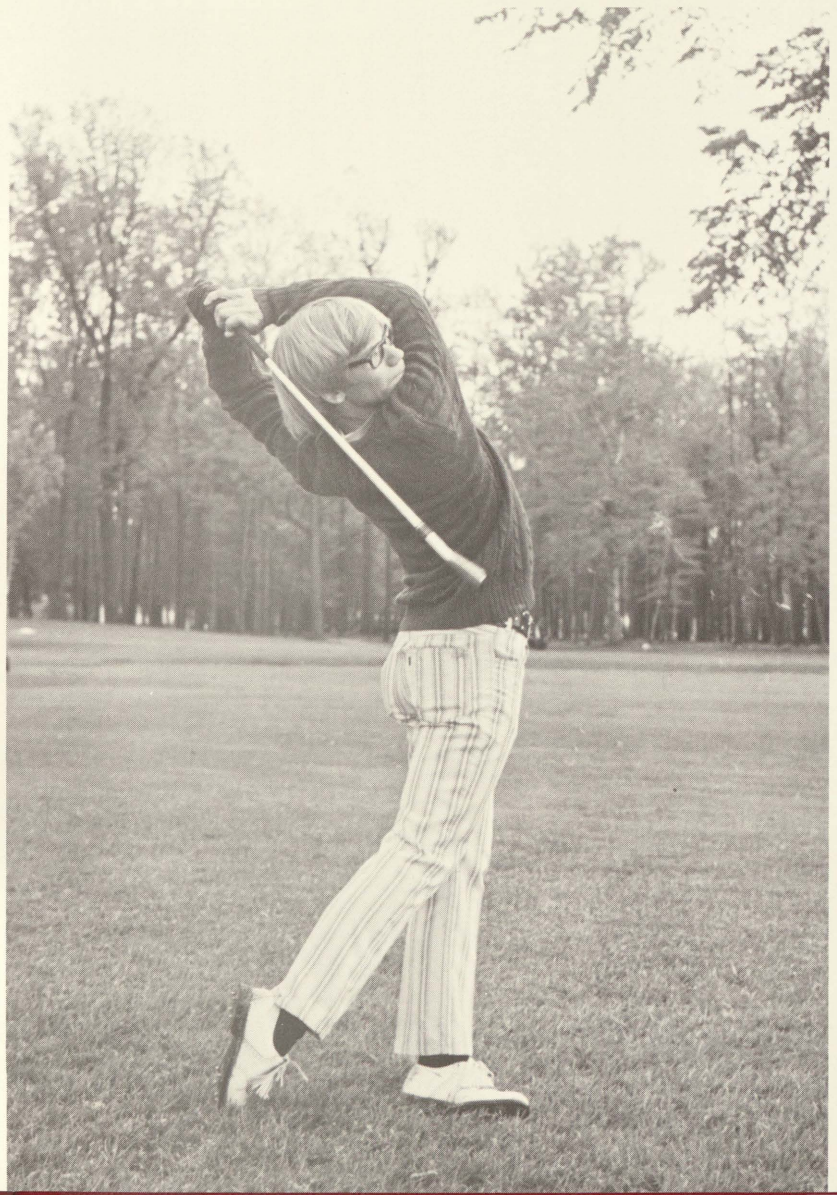
DM Gains 12th in State Tournament



An unfortunate loss to Mount Pleasant placed MacArthur in second place in the White Pine Conference. But coach Stelter and the Varsity golfers, led by Senior Tom Stevenson, proved they "Had it in them" by placing second in the Class A Regionals and 12th in the state tornament. The future looks good as the majority of the team are underclassmen and will be returning next year.

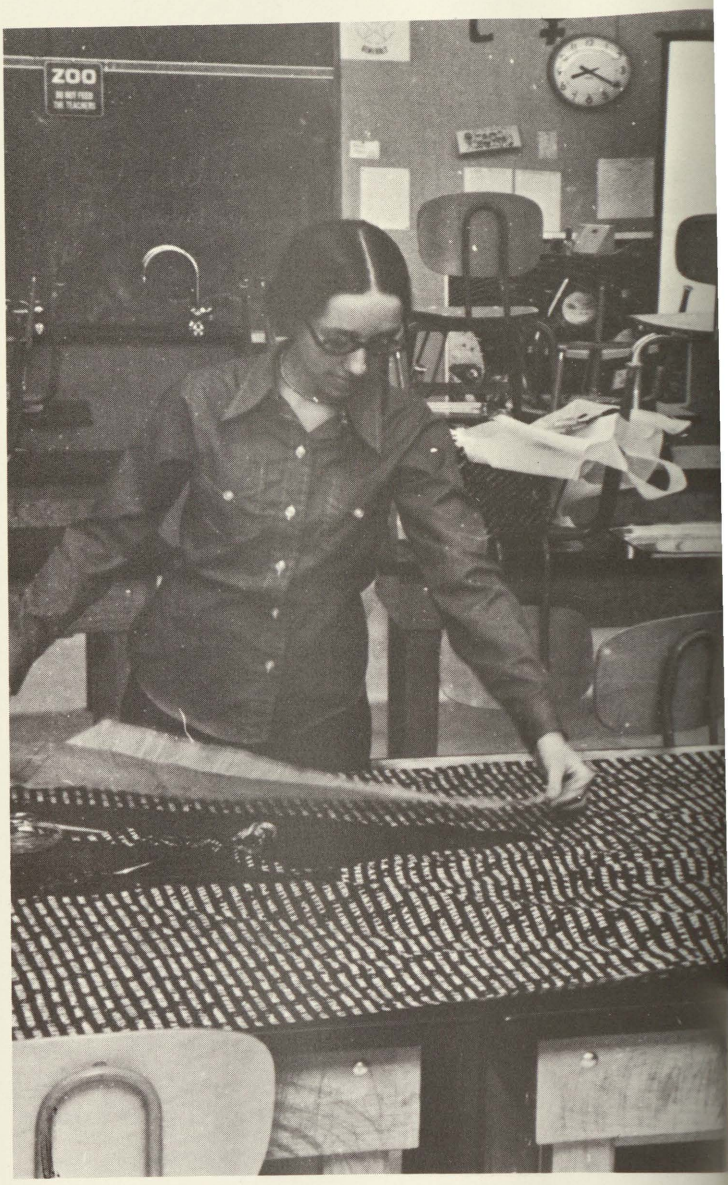
Organizations

Anti-Pollution Creates Interest

Anti-Pollution is a group of people who are concerned with the pollution problem and are doing something about it. The head of this organization is Mr. Simpson.



Club members work eagerly to finish the Anti-Pollution ties.

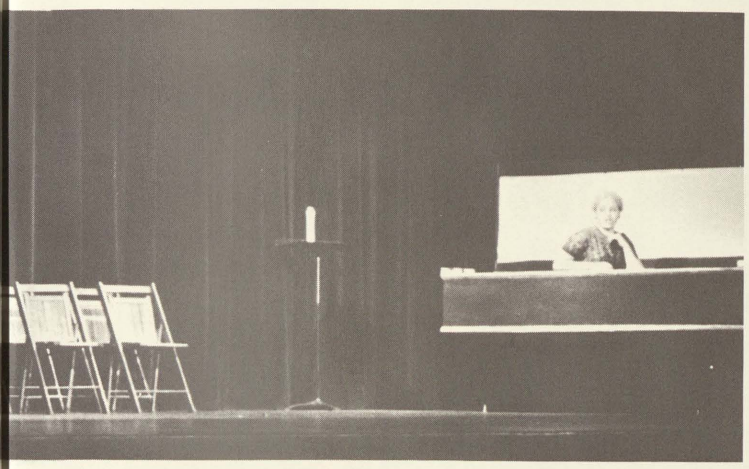
Competition Plays Excel

Best Actress Diane Kenel and Mary Harrington portray two dead women in "Please No Flowers."



On the night of January 30th the Douglas MacArthur annual Competition Plays were held. Even the blowing winds and slushy snows could not detour the crowds from coming to see the one act plays directed and acted out by each of the classes.

The Freshman play was "The Jest of Hahalabas" and was directed by Carol Flore. "Summit Conference" was the Sophomore production under the direction of Cathy Cornell. Marti Hutchins directed the Junior production "Santa Claus" and Alison Mull directed the Senior's play "Please No Flowers".

Best Actress was Senior Diane Kenel, and Best Actor was Junior Bob Bethune. Best Supporting Actresses were Karen Dickinson and Karen Coon. Best Supporting Actor was the Junior Mob Scene. The Best Play went to the Juniors for their "Santa Claus". These awards were chosen by a panel of area judges.

Pep Club Keeps Spirit Going

Each year spirited students from all four classes band together to make Pep Club posters and present skits for assemblies and athletic activities. This year's president, Jodi McGowan, helped lead MacArthur's enthusiastic student body toward the Sportsmanship Trophy.

TEACH Initiated by NHS

Beginning the year with the decision to become an active, rather than an honorary organization, the National Honor Society busied itself with various school and community activities. The TEACH Program, initiated this year, was designed to tutor students on a one-to-one basis. NHS members also volunteered their services in the READ Program, helping small children with reading problems, and in helping mentally retarded children.

Scholars and DAR Receive Their Just Rewards

This year six MacArthur students earned honors for scholastic achievement. Two students scored as semi-finalists in the National Merit Qualifying Test, and the Michigan Competitive Math Test was well represented by four semi-finalists.

This year for the first time the senior class helped to decide the winner of the Daughters of the American Revolution Award. Five senior girls were nominated by the class and the teachers then selected the one girl that they felt best excelled in the areas of citizenship and scholastic abilities.

To the far left are the two National Merit Semi-finalists, Jim O'Brien and Alison Mull. Below are Thurza Peabody, Dick Leary, Mark Breithaupt, and Bruce Leaman, the 1971 Michigan Math semi-finalists. At left is this year's DAR winner, Debbie Patrzik.

Students Ratify New Constitution

Next year there will no longer be a Student Council. Voted in by the students the student governing power will be a "student union". With the new union will be a number of changes; a among these a student bookstore run by the union, a student information center (information on drugs, draft, voting registration and available jobs), reorganization of the S.O. and reorganization of the White Pine Council.

Besides this new government, Student Council still will carry on its annaul duties; Turkey Trot, Homecoming, S.O. dances, and S.O. card organization.

Because of student misuse of facilities, S.O. dances were cut in the spring, but concerts were allowed. An MC5 concert was scheduled, but the group did not appear and the back-up bands performed the entire show. The second concert with Teegarden and VanWinkle was justly labeled a success when enthusiastic crowds filled the auditorium and gave a standing ovation to the performers.

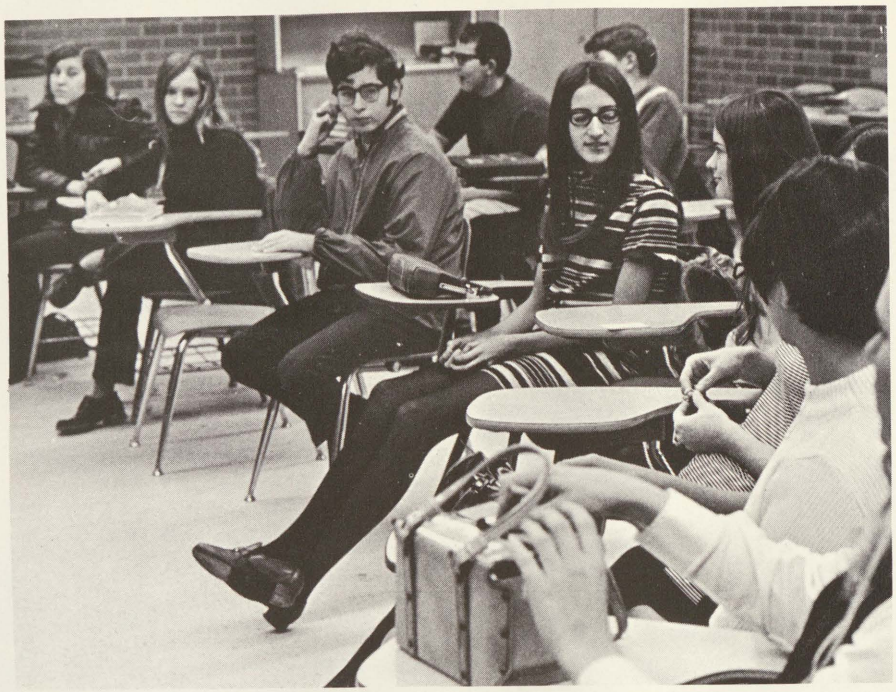
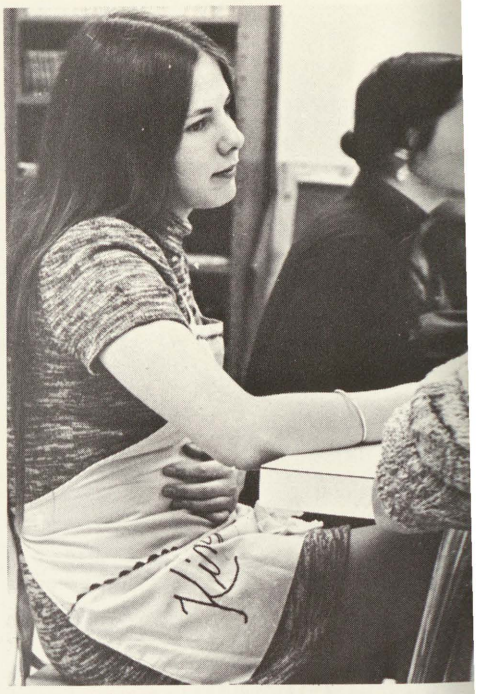
The Key Club applied its energy this year to helping both school and the community. The club, sponsored by Mr. Collier, won local acclaim with its presentations about the facts and hazards of smoking to elementary schools. Besides helping the Kiwanis Club with their annual peanut sale, the club again operated the bookstore. Officers Were: president, Mike Caughron, vice-president, Bruce Bender, and secretary-treasurer Gary Walekr.

The DM Co-op Club was also busy this year. The newest addition to the club, the "Winds of Change" store, is located in the student sales room. As in previous years, each month a co-op member was chosen "Co-op of the Month" for outstanding ability in the class and on the job. Officers were: president, Ken Davis; vice-president, Marty Buckler; secretary, Margaret DiMercurio, and treasurer, Laurel Plumlee.

Key Club members Mike Caughron, Gary Walker, and Steve Brennan, present the dangers of smoking to elementary school children.





Language Clubs Study European Cultures

This year's language clubs, in addition to sending students to Germany, Spain, France and Italy, also managed to bring a little of Europe to MacArthur. The German Club, directed by Frau Lieb, sponsored a Potluck, with each student bringing his or her favorite German dish. The Latin Club auctioned off first year members at their annual "Slave Auction" under the watchful eye of Mr. Meyers. In Spanish Club, Mrs. Noffke directed the students toward a better understanding of the cultures of various Spanish speaking countries. Lastly, the 1970-71 Le Cerle Francis put its accent on food. Under the direction of Mrs. Stoner different members of the club prepared various French foods and games for the enjoyment of the club members each month.

Holidays Sparked by Music

The MacArthur orchestra is made up of string players who rehearse during each class period. The group is augmented occasionally by the best wind and percussion players from the band for rehearsal and concert. The entire group played for Christmas and Spring concerts.

The Choir, made up of students from all grades, has sung for private groups at the Kivateria, Y.M.C.A. and Germania, besides the regular performances at the Christmas and Spring concerts.

Ski Clubbers Meet Billy Kidd

"Think snow" was the philosophy of the Ski Clubbers. These ski club members braved frenzied winds and icy snow on the trip to Boyne Highlands, which had to stop at Skyline due to adverse weather conditions. Club members still had to leave early to beat the blizzard back to Saginaw. Two other trips had excellent skiing conditions at Thunder Mountain and Boyne Mountain. The trip to Sugar Loaf was cold though, with a -40' wind chill factor.

To support their habit, these ski bums sold Tom Watts merchandise during the Christmas season. The ski enthusiasts saw ski movies to whet their appetite during the week. Films and trips were planned by President Chris Agnew, a Senior, Mark Pumford, a Sophomore, Sponsor Mr. Matson and an advisory board made up of students from each of the classes.

One of the highlights of the year was when Olympic winner Billy Kidd and Tom Leroy visited Apple Mountain. Several students had the opportunity to meet them personally and learn some winning tactics from these pros.

US History in Water

From Indians and Pilgrims to the Space Age, the Sea Nymphs theme, E Pluribus Unum (One out of many) splashed up a storm. JoAnn Millerick, senior soloist, swam to the music "Born Free' symbolizing freedom. The finale performed by 37 girls was a peace sign displaying hope for future universal peace. Folk Rock Club Becomes Part Of MacArthur

The Folk Rock Club, headed by Mr. Sloan, is a loosely structured group of individuals who share a common interest in music. Sounds, songs, and ideas are exchanged at each meeting with stereo equipment available for group listening. Newly formed this year, the club seems to be a success.

Jesters Place in Regionals

Over two hundred gymnasts representing twenty-two teams from the eastern half of Michigan competed for qualifying places in the Michigan Association of Gymnasts Eastern Regional held at MacArthur. This was the fourth year the township Gym Jesters under the direction of Mrs. Thomas Fry have hosted the event.

Outstanding performances were turned in by Andi Schwartz who took first places in the senior floor exercise and vaulting, third on the balance beam, sixth on the uneven bars and fifth in tumbling. Andi just missed the coveted All-Around first place by 0.20. Julie Baker, another member of the team from MacArthur placed sixth in vaulting and seventh on the uneven bars.

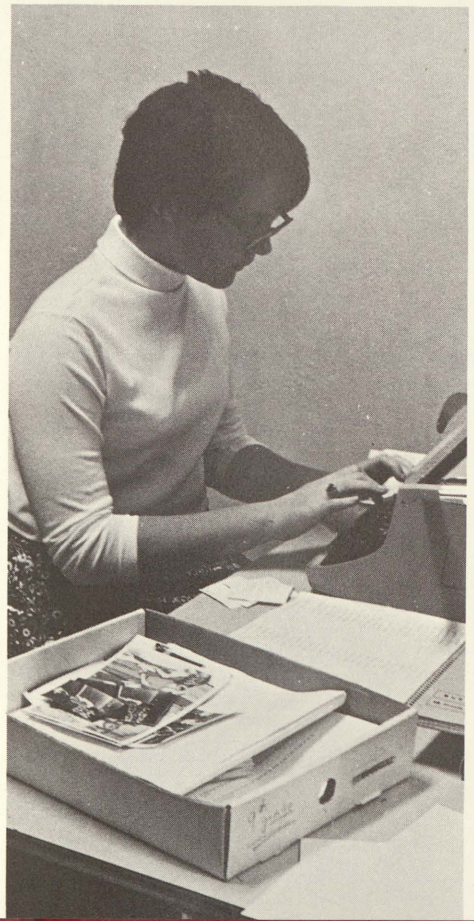
Itella Staff Produces Largest Book Ever



Changing yearbook advisors in mid-year could prove disastrous for most yearbook staffs, but the versatile Itella staff took it in stride and produced the largest yearbook that D.M. has ever had.

The staff roared to enthusiastic beginnings under the guidance of Mr. Williams. At mid year Mr. Williams left MacArthur to join the Eisenhower staff. The yearbook supervision was then turned over to Mrs. Furgason. Mr. Zittel donated his time and efforts to assist the Itella photographers.

This year's Itella also has a thirty-five page section on the new Eisenhower High School. The section was drafted and produced by Eisenhower students under the supervision of Mrs. Corbin.

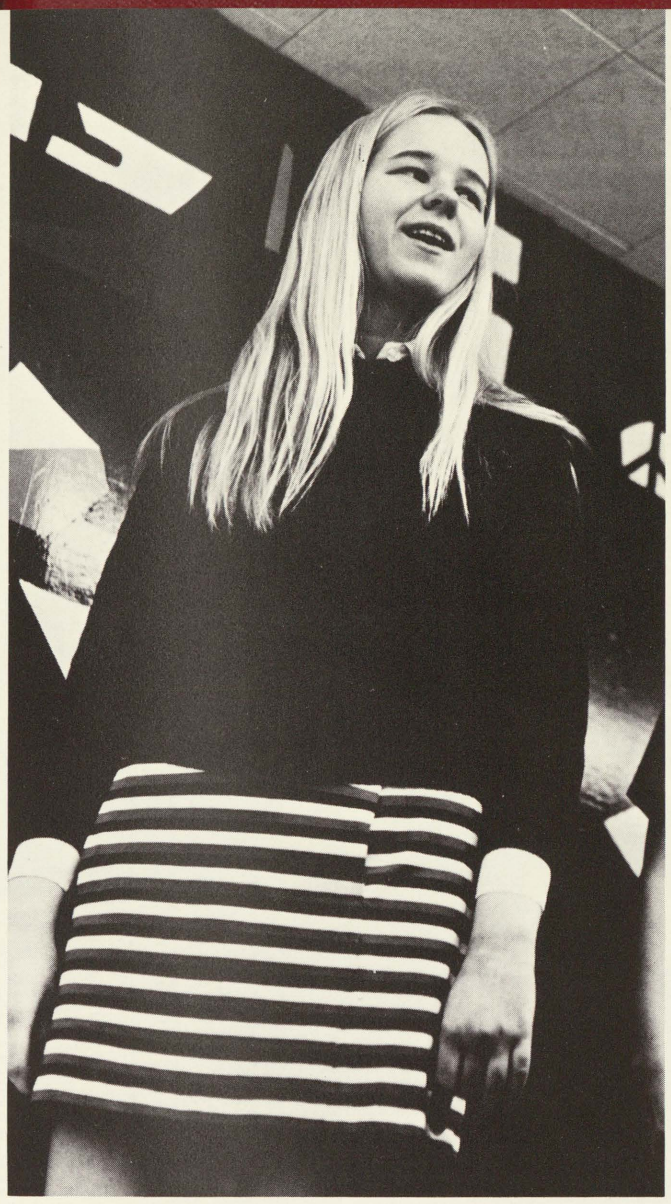
General News Reports Tradition and Change

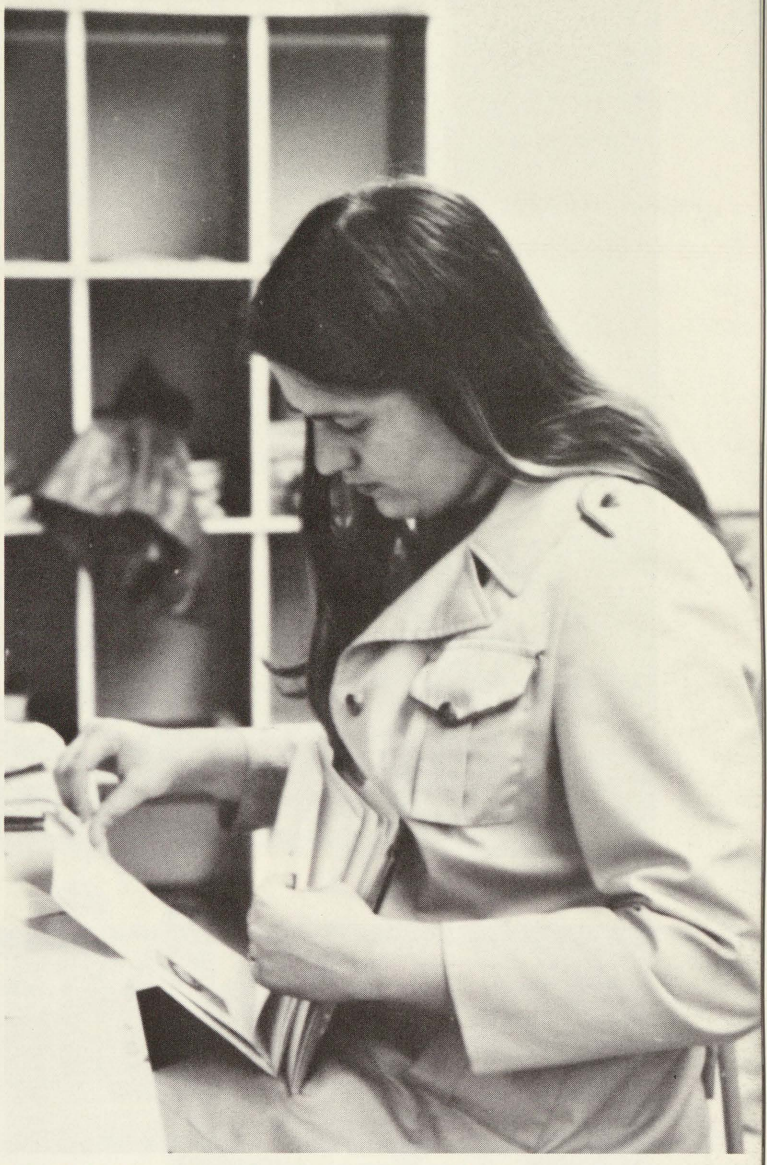
With circulation over 700, the GENERAL NEWS staff stays busy. Meeting in room 116 at 10:30 for an hour of planning, the news staff, advised by Mrs. Furgason, is always trying to meet the constant deadlines. The staff of eleven, eight juniors and three seniors, always counts on a rush day, the day before the paper is to be "put to bed".

The staff consists of News Editor Dinah Gibietis, Feature Editors Mimi Cline and Karen Kleekamp, Sports Editor Mark Carson, and staff members Pam Johnson, Trish McDonald, Kim Pickard, Tony Grill, Marianne Bird, and Rick Zisumbo. Photos were taken by Beth Holmes during the first semester, and Mike McPeak handled the job second semester. The GENERAL NEWS is printed with the cooperation of Mr. Bilby and his printing classes.

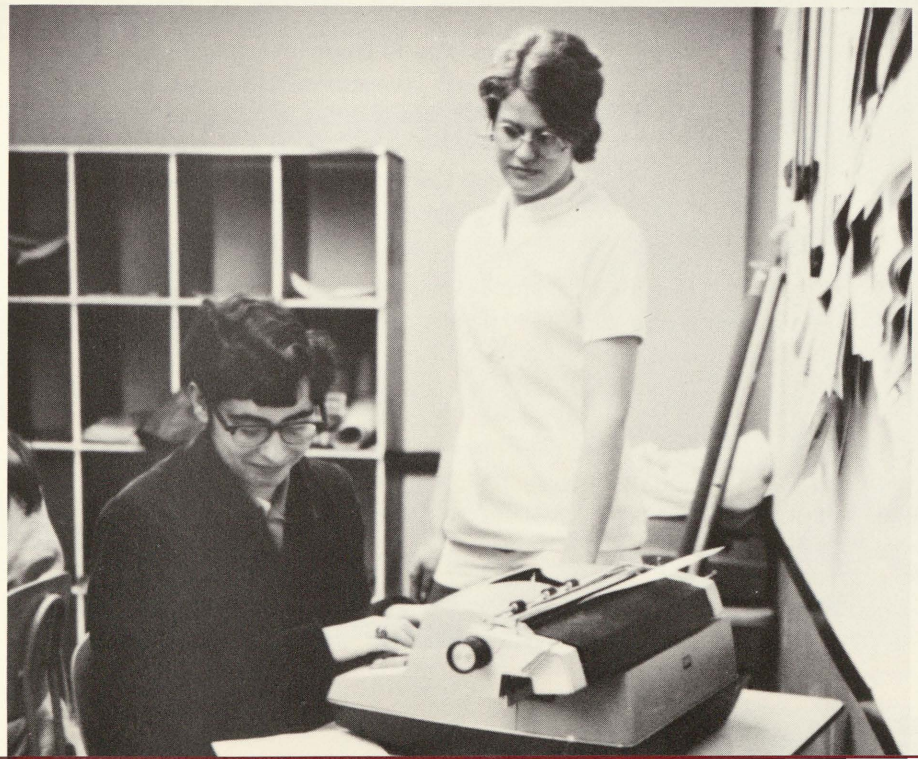
The journalism classes have taken two field trips. One to a Detroit workshop where various elements of good journalism were presented. The other trip was to Michigan State University where the GENERAL NEWS was critiqued and rated.



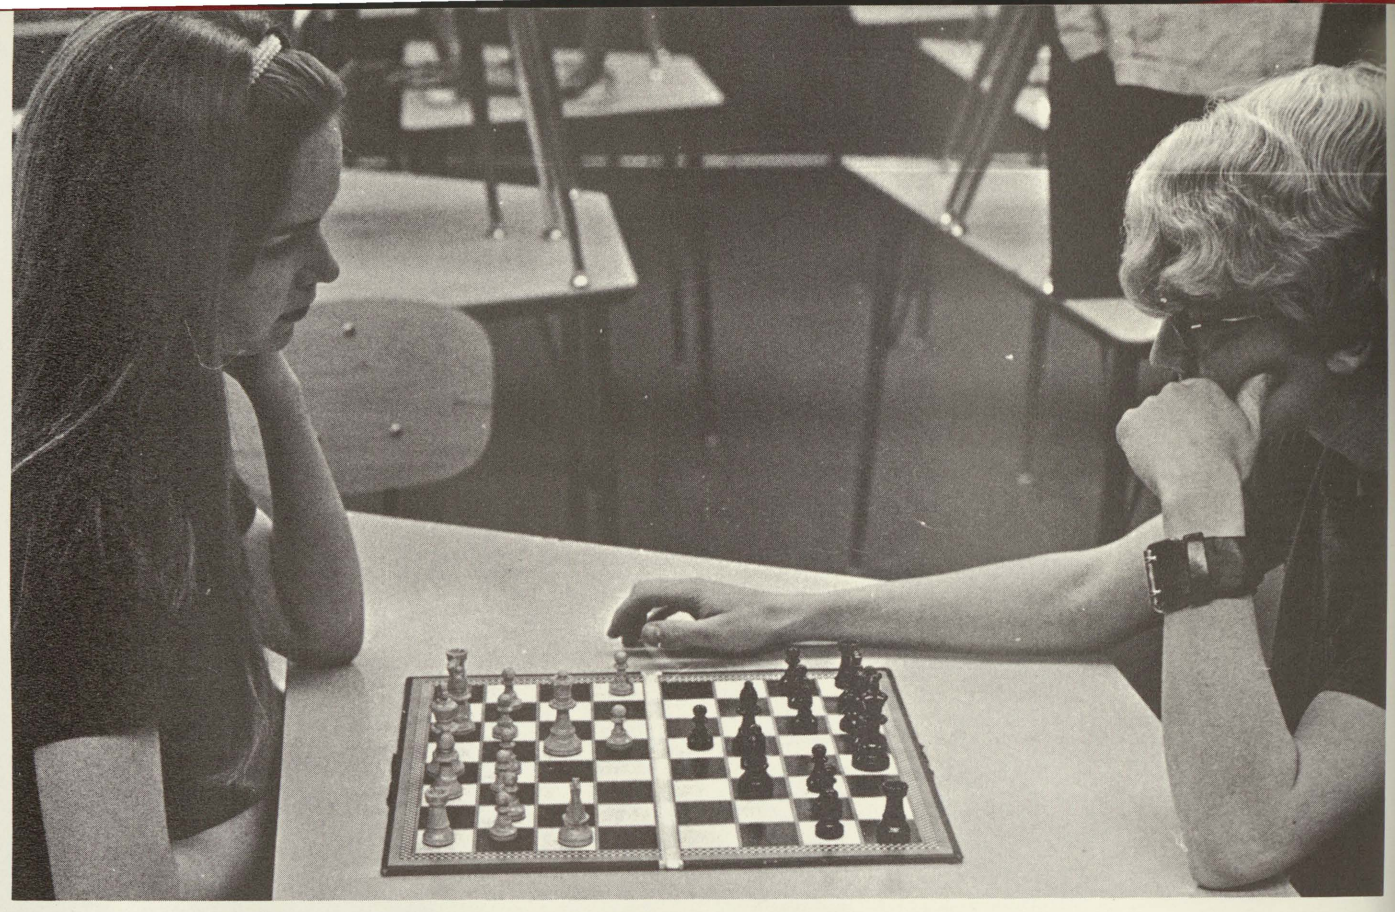
The creativity of Editor Dinah Gibietis is displayed in the newly painted Journalism wall seen here from a different prospective.

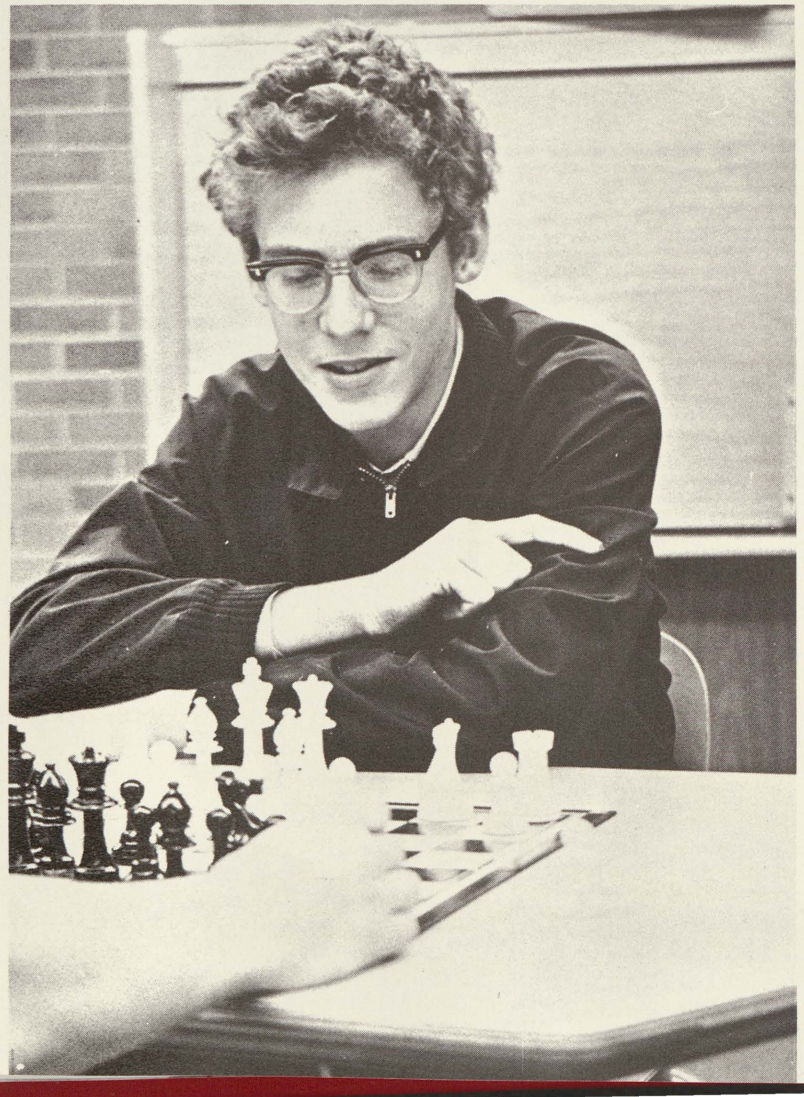


Kim Pickard sorts through various articles, picking out newsworthy material for the next publication.



Mimi Cline looks on as Mike Poma prepares for the next issue of the General News.





Chess Club Requires Concentration

Each year at Douglas MacArthur several students with a common love of Chess get together to constitute the Chess Club. The members learn to improve their skills and strategy through competition with other members. (Above) Linda Flitz and Roger Gluckin plan out their moves before executing them. (Left) Steve Kraus smiles as his opponent moves into check.

Clubs Develop Careers

The Photo Club meets once a week to learn the constantly changing new techniques of photography. Mr. Zittle sponsors the group and shows his students some of the unusual and interesting things that can be achieved by the proper use of the camera. Left: Stevie Brown uses on enlarger.

This year members of the Future Physicans Club, sponsored by Dr. Mason, enjoyed viewing films, visiting hospitals, and hearing lectures. Although the club is composed of students from other schools as well as MacArthur, it still plays an important role at DMHS by providing these future doctors with a closer look at hospitals and the activities within.

Auto Club Prepares For Future Needs

Every Thursday night from 6:00 to 8:00 the Auto Shop roars with activity as the boys from the Auto Club work on their cars. Here, under the direction of Mr. Scherzer, they learn the fundamentals of keeping a car in working order.

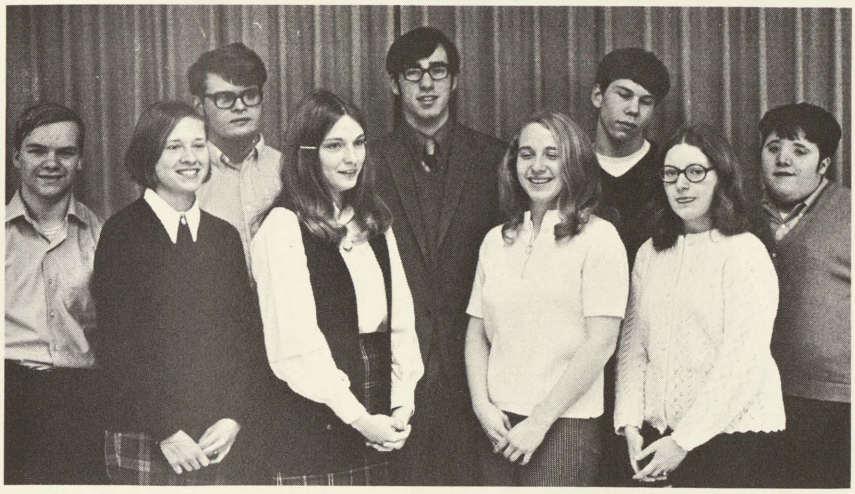
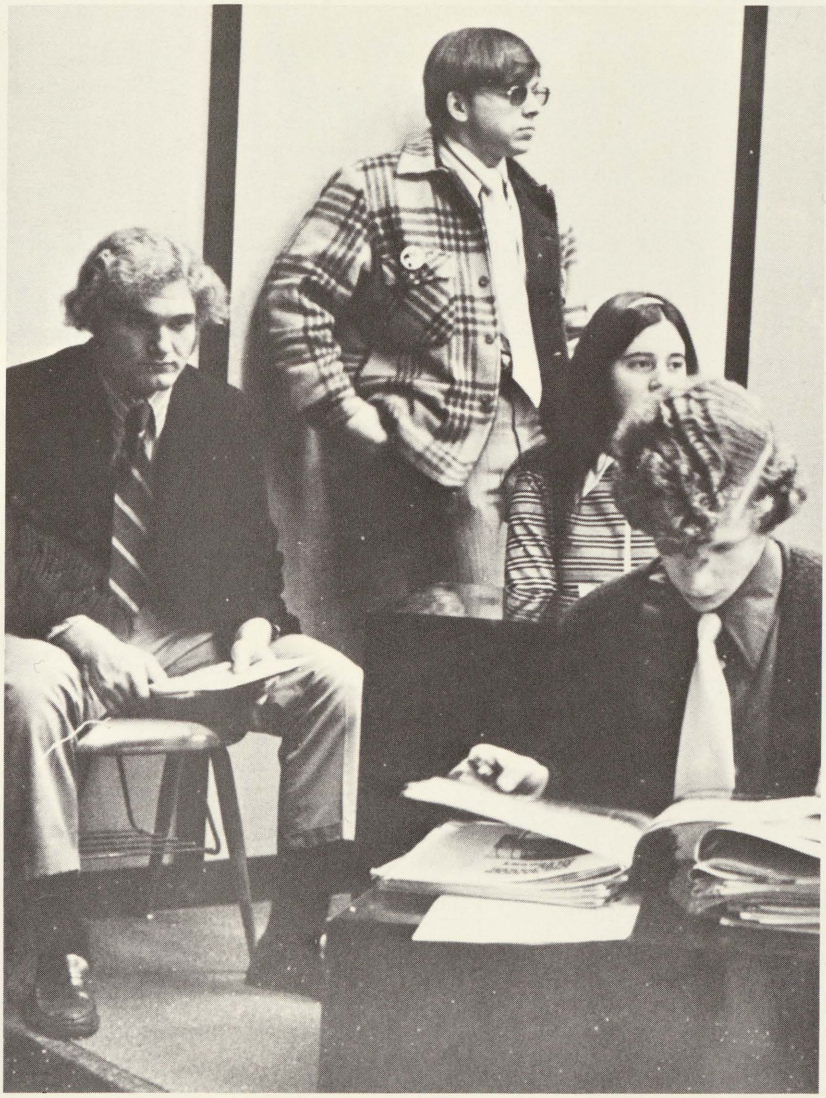
Forensics and Debate Attain Awards for DM

The Douglas MacArthur Debate Team was revived this year. They participated in local, district and regional competition and won the Flint Novice League Second Palce trophy.

In the spring the speakers began working and competing for the Forensics events. They hosted the District Tournament and were fortunate in sending three members to the Regional Tournament. Tim Metro, Christine Burgess and Carol Cornell received Certificates of Merit from the Detroit Free Press for their outstanding achievement.



Top Row, Debate Team: R. Coselman, T. Elliot, E. Purcell, P. Henkel, D. Seidel. Bottom: C. Czerwinski, C. Cornell, J. Widmeyer, C. Burgess. (Missing) J. Mull, K. Taylor.



Tim Metro, Pete Seklins, Robin Sowton and Gary Westman prepare for a Forensics tournament.

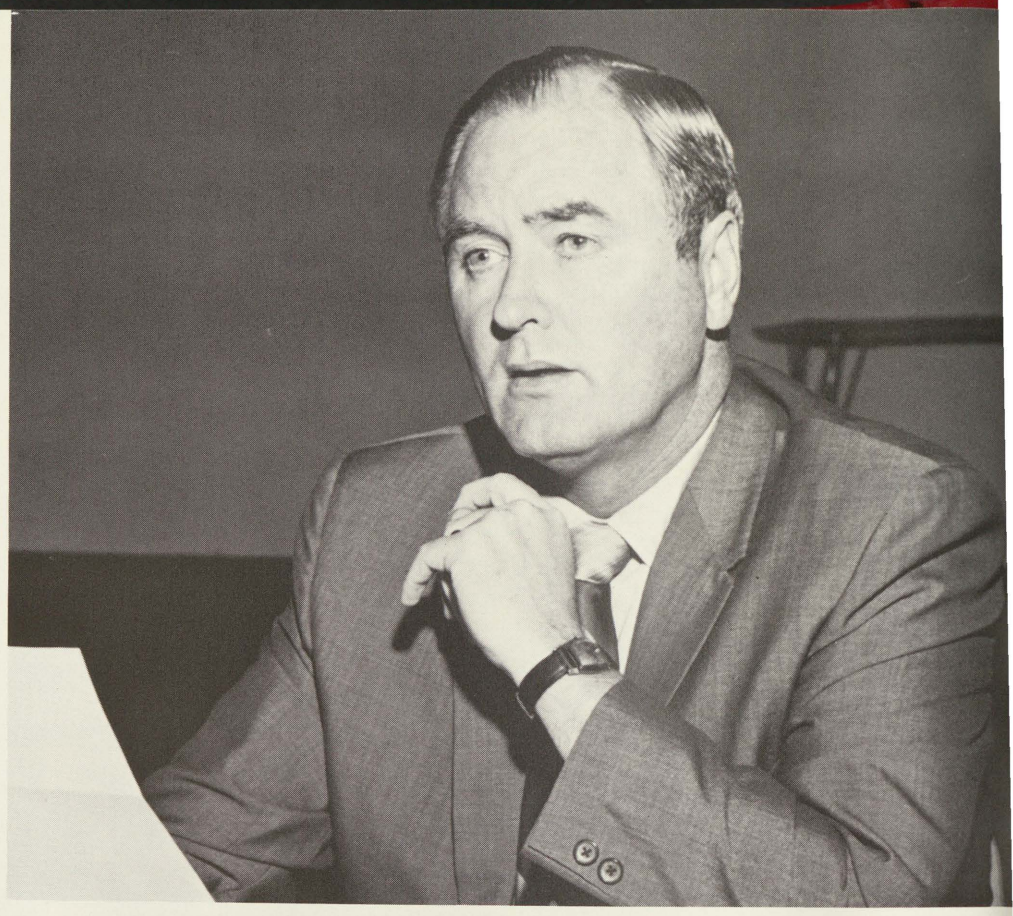
School Board Challenged By Decisions

(Right) Mr. McConnell, Superintendent of Schools, listens attentively to student committee members ask for a smoking lounge during a school board meeting. Mr. McConnell organizes and keeps track of the entire school system. Members of the School Board and administration are (Below) Ronald Woods, Virginia Johnson, Daniel McConnell, David Lippert, Dale Klein and David Hinkin. Missing from picture are School Board members Warren Breithaupt, Fred Clark, Leonard Boers, and JoAnne McLeod.



"Last Year For Crowded Conditions"

"This is the third and final year that it has been necessary to operate Douglas MacArthur High School on a staggered schedule. There were some disadvantages, but with the cooperation of students, teachers, and parents, we continued to meet the needs of everyone enrolled here.

We are proud of our students for their their scholastic achievements, for their involvement in healthy competition, and for their efforts to serve others and contribute to our society. You will read about the achievements of MacArthur students as you continue through this yearbook."

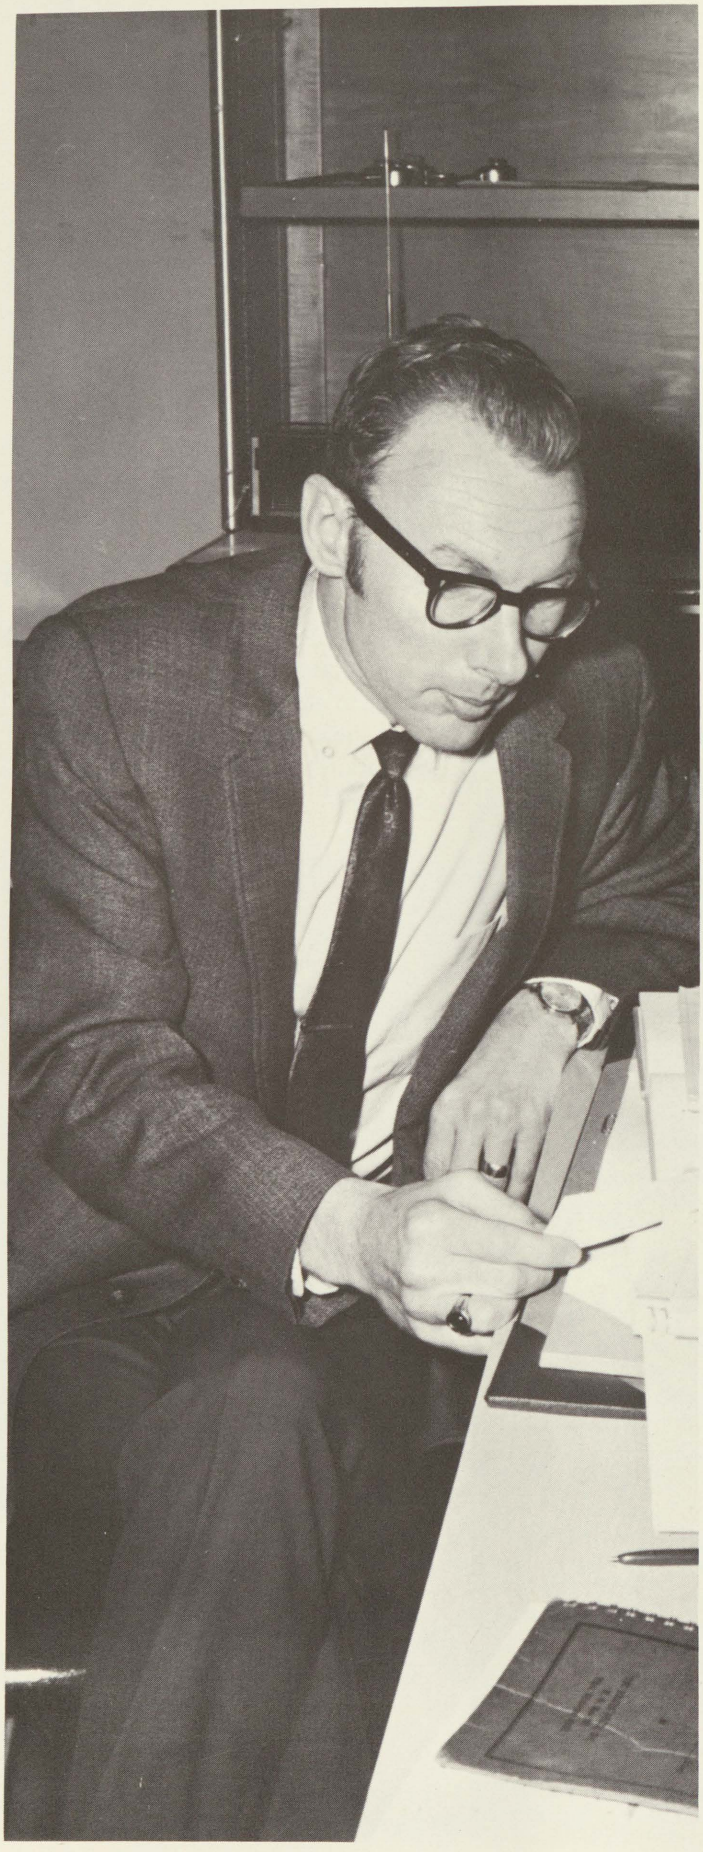
Oscar B. Huyghe

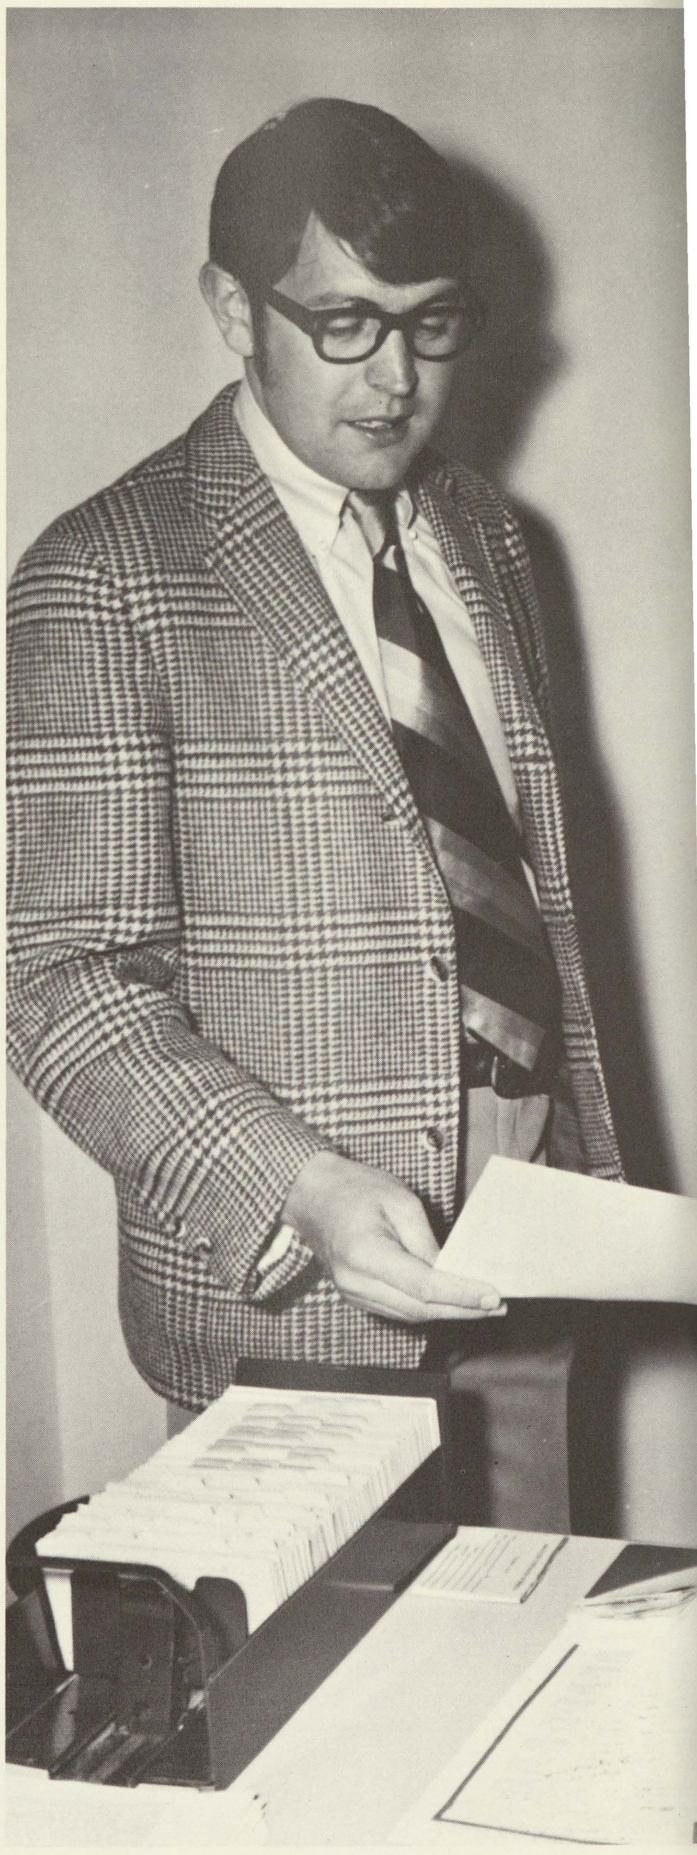
"A nine-hour school day with 2100 students and an overlapping common period has been an experience in itself. In the middle of the winter it's a case of coming to school in the dark and going home in the dark.

To top this all off there has been a change in assignment and the opening of a new high school at mid-year.

Its been great but I can hardly wait for next September!"

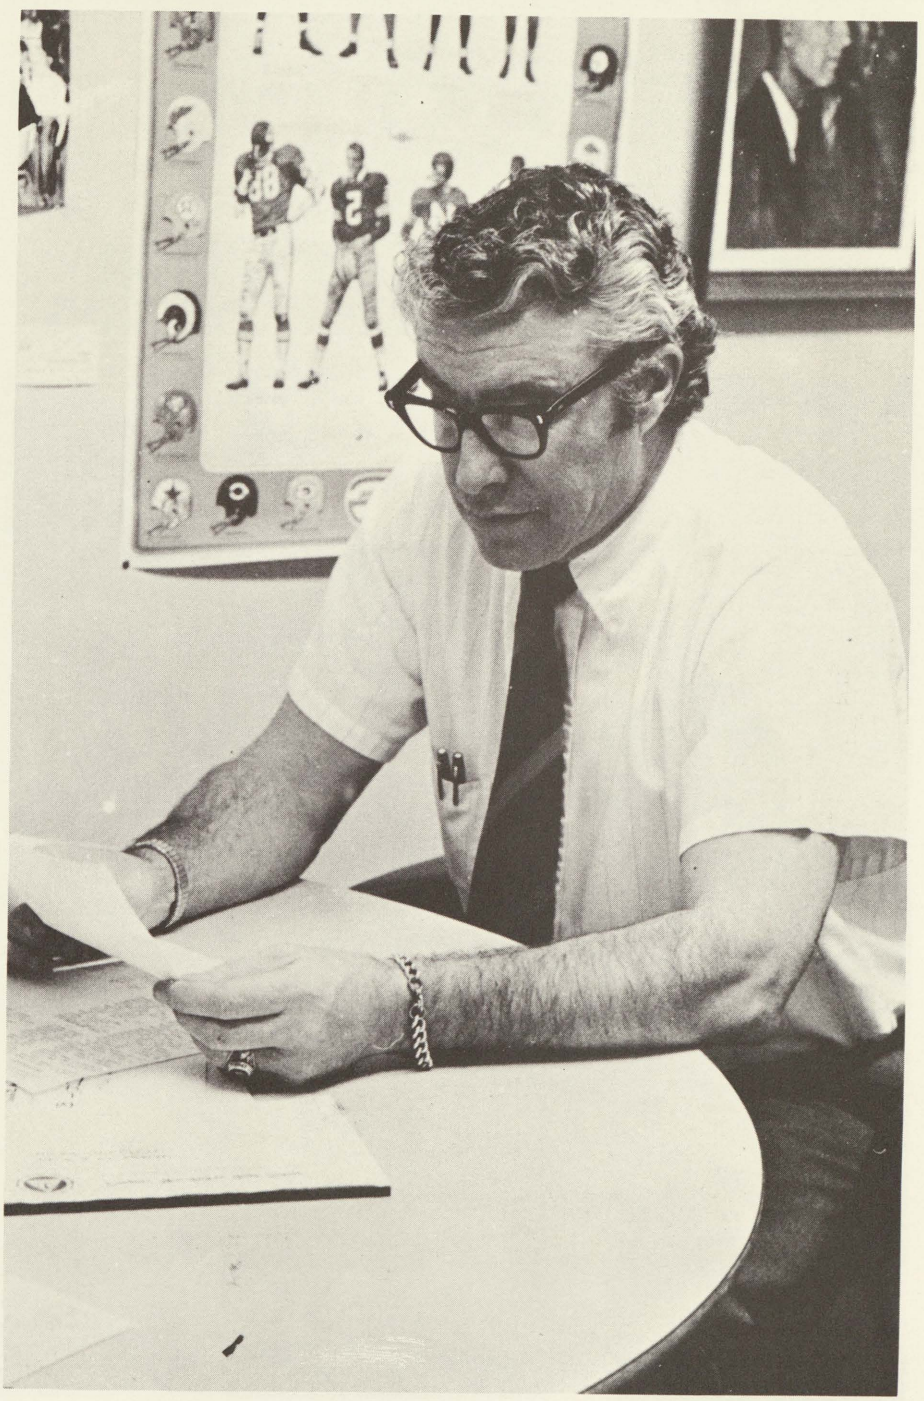
Bill Matson

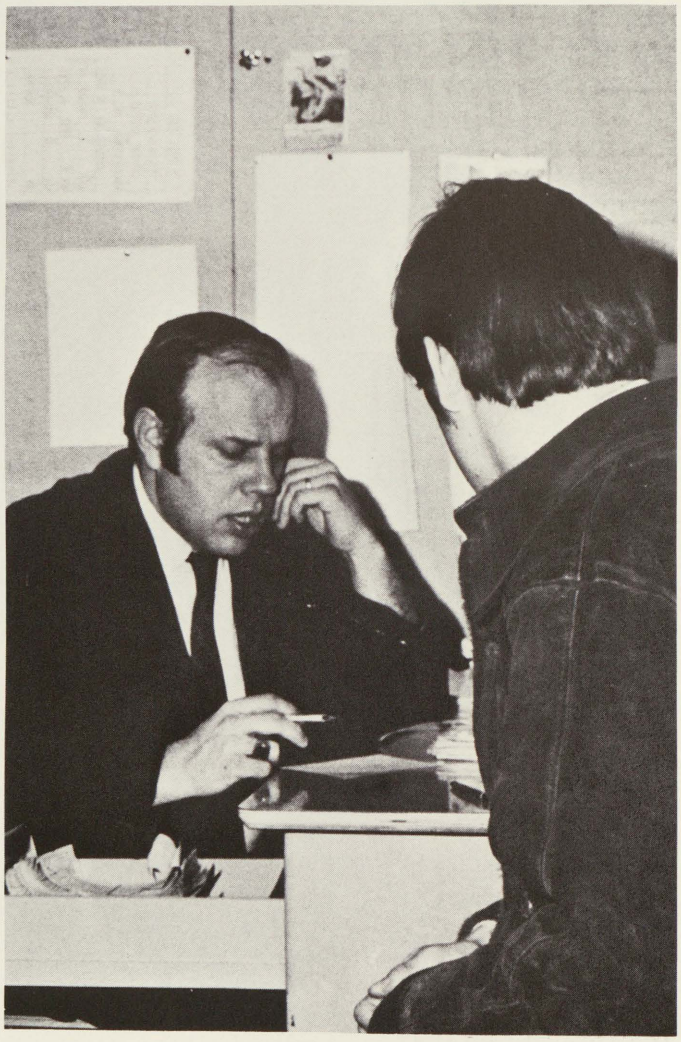


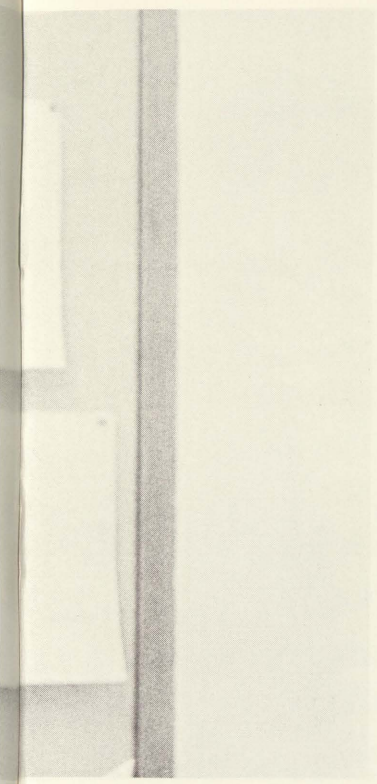


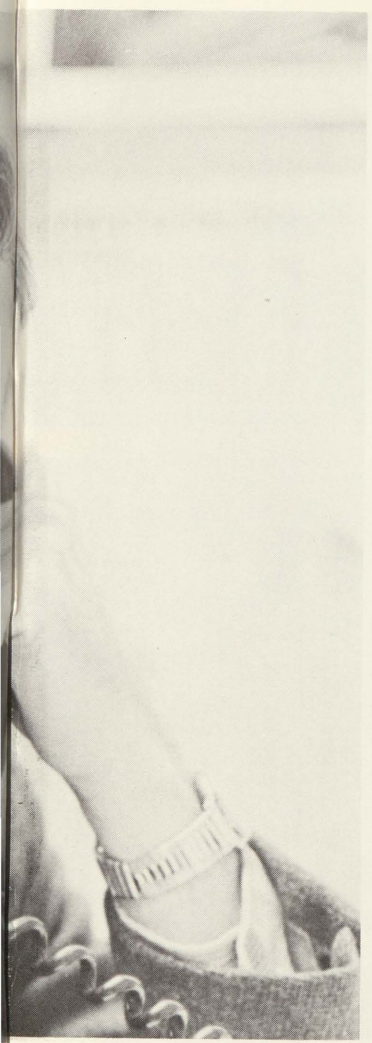
House Co-ordinators Tackle Many Problems

(Left) Mr. Allington, West Hall Co-ordinator, reads a note from his fifth hour Honors Math class. Mr. Allington also has charge of the parking lot. (Middle) East Hall Co-ordinator Mr. Stahl gives his secretary Mrs. Thomas the daily bulletin. Mr. Stahl has the responsibilities of Senior Class Advisor, Gymnasium Co-ordinator, and teaching a third hour German class. (Below) Besides being Electives House Co-ordinator, Mr. Spaulding also teaches Psych-Soc. Here he concentrates on the Junior absentee reports.



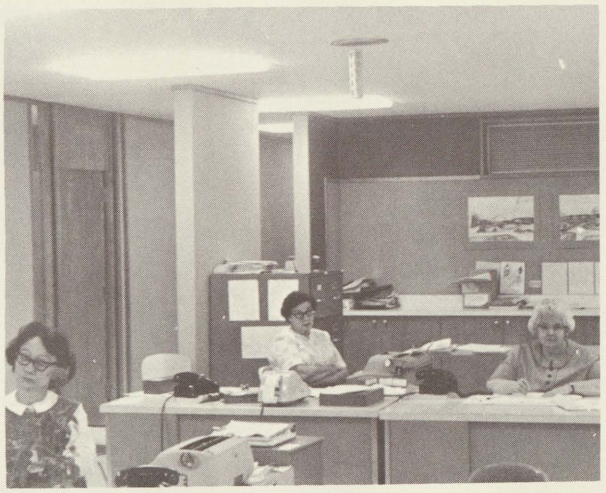


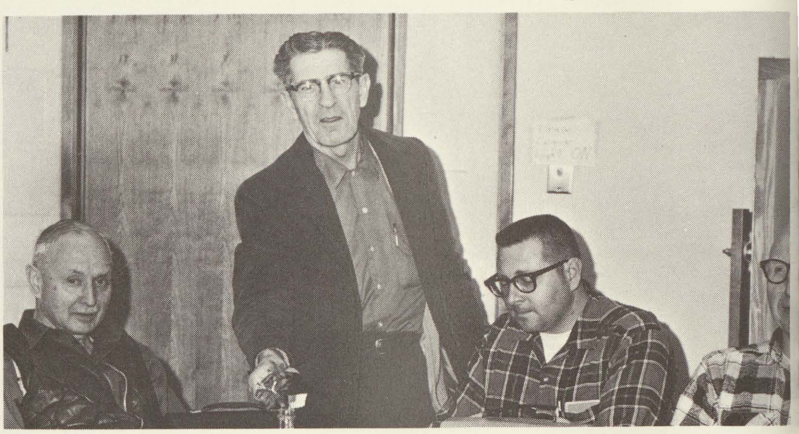


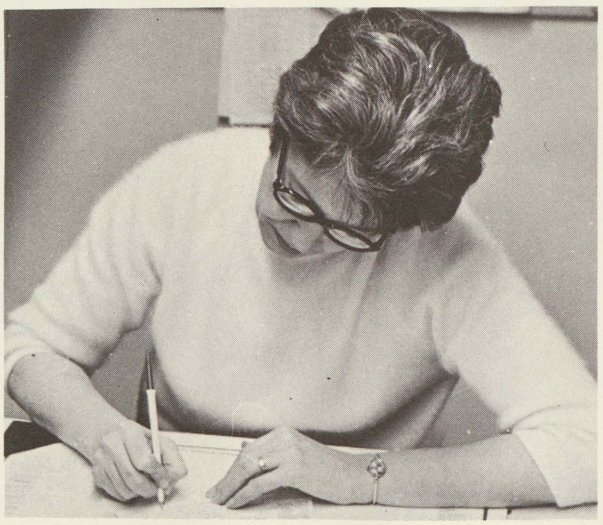


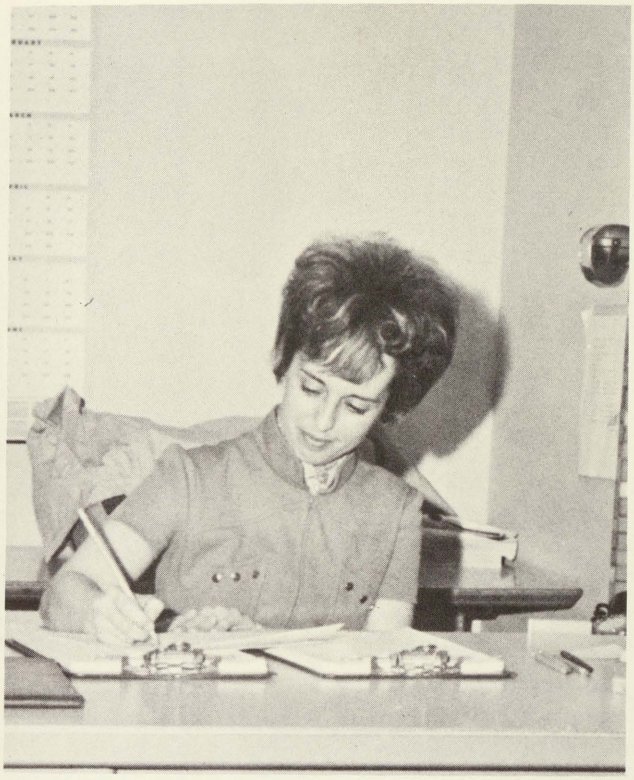
Advice Gives Reassurance to Students

(Page 158 Top) Mr. Fry is amused at a note sent from another teacher. (Bottom Left) Freshman counselor Mr. Wells goes over a worried student's schedule. (Bottom Right) The telephone plays an important part in Mr. Seeley's job as counselor. (Page 159) Mrs. Dietiker, Senior counselor, gives a reassuring smile to a troubled student.









Staff Efforts Keep Us on the Go

An Awaited Dream Becomes

After years of anticipation, January, 1971 endowed Saginaw Township and many anxious students with a spacious new school . . . Dwight D. Eisenhower! No bells, portable cabinets instead of walls between classrooms, and electric trains for lunches all proved to be an exciting challenge for students and teachers alike. These concepts, along with the unique, picturesque building design and the new approach toward class release-time, brought curious visitors from all over the country.

H. 590 students "exit" MacArthur and curiously enter "Ike".

Memorable Move To Eisenhower!

Making the transition to Eisenhower meant leaving many friends behind at MacArthur, but on January 21, farewells were said and on January 26, 1971 Eisenhower welcomed its 590 new students. Being at Eisenhower meant changes . . . a new time schedule of 7:45–2:25, open class rooms, a lunch hour, individual lockers for students, private desks and cupboards for the teachers, and often a new teacher for the student. The opening of any new school presents problems that must be "tackled" and new adjustments that must be made. Eisenhower was no exception; however, the move to Dwight D. Eisenhower proved to be a memorable experience for all.

New Assets to Faculty

Academics meant new teachers and new areas of study. The English department was kept busy during the drama unit with such projects as Globe and Greek theaters, masks, and make-up demonstrations. Also during this unit there was a field trip to Oakland University to see a production of THE RAINMAKER. The science department is also trying new ways to help students. Mr. Benjamin exhibited this by expressing the important facts in the form of a scavenger hunt. Facts to be learned were represented as clues in the hunt. French students from the foreign language department also traveled to Oakland University. They saw Moliere's play, TARTUFF. Eisenhower's math department is also keeping abreast of the times. Many of the teachers have discarded the use of blackboards and have turned to more frequent use of overhead projectors. In many cases, they find them more effective. Social Studies teachers were no exception to the hustle and bustle of learning. They found themselves buried in everything from maps to newspaper clippings of current events.

New language arts teachers at D. E. H. S. are left to right R. Sowle, R. Crane, D. Corbin, and C. Kruger. G. For several weeks cooks were busy with satellite lunches.

New School . . New Decisions

The hectic opening of our new school meant almost as much decision-making for the concerned students as for our conscientious administrators. Numerous committee were formed to organize the voting for such things as a student advisory board, a nickname for our new school, a design for the school ring, and a new type of student government. Students combined their intent efforts to make our Eisenhower a successful school of which to be proud! The name selected was "Commanders", and the colors that are flying high are green and white. The new student government will be the Forum instead of a Student Council, while our individual class councils will still continue. Yes, for everyone involved, our new school meant decisions, decisions, decisions.

A Desire to Associate

Early enthusiasm and the initiation of organizations got Eisenhower High School off to a booming start. The first two months of the move gave birth to such clubs as Drama Club, Girl's Athletic Association, Key Club, and Pep Club. With the combined efforts of these organizations, our new high school became extremely active. Drama Club, sponsored by Miss Sowle, raised its curtain with the production of "Pioneer Go Home." Miss Tate sponsored GAA for girls interested in competitive sports agsinst other area high schools. Mr. Decker, sponsor of Key Club, stated that they would attempt to establish a book store and concession stand. Pep Club, the largest organization, was originated by Mr. Doane. It served as the backbone for school spirit, betterment, and pride. Mrs. Dunham advised the Pom Pom girls, who provided entertainment during half-time of basketball games. The cheerleaders, coached by Mrs. Corbin, provided the main source of school spirit. Because of the overwhelming interests in these areas, our first year at Eisenhower High was sensational, but . . . "The best is yet to come!"

Student Involvement in New School Activities

School spirit inevitable arose when vivacious cheerleaders initiated competition cheers between the freshmen and sophomores. Other pep assembly "spirit boosters" included such comical antics as a basketball game between some of the junior varsity basketball team members and a few courageous, but spry sophomore girls from the pep club. Another hysterical occurrence was a pie throwing contest. The out come of the latter presented Dan Evon and Butch Cassidy with whipped cream covered faces and spectators with uncontrollable laughter. Additional entertainment on the assembly program this year was provided by a rock group who called themselves the "Potters Clay." Their songs, messages, and captivating showmanship and students clapping and swaying in their seats. Students and teachers alike "chimed in" on a couple songs. One of the most impressive activities at Eisenhower was "pride week." Everything from tags declaring "I like Ike" to posters encouraging "Keep Ike Clean" inspired students to take pride in their new school. Since St. Patrick's Day fell that week, a Mr. and Miss Leprechaun contest was also held. The highlight of the week was a Friday night dance with the crowning of Mr. and Miss Leprechaun.

Commanders Are Born!

"We're proud of our team!" We roared as the J. V. basketball team began the Midland Dow game. Double overtime resulted in a loss, but the Commanders retaliated the next time with an overpowering 104-49 victory! With a 4-12 record, they exerted non-ceasing energy throughout the season. The freshman basketball team took a bouncing first season as they took never surrendered their efforts. With much promise for next year, these Commanders had a 5-9 record. Splash! Our swim team came on with a smashing first season as they concluded with a triumphant 8-0 record and had two team members place in the state meet. 1,2 pinned! was a common sound heard during Ike's open wrestling season. Although the team never relinquished without a struggle, they finished with a 2-9 record.

Swing, Hit and Run!

Spring sports teams were organized and ready to go as spring rolled around the corner. Through many hours of practice, the baseball team jumped to an 11-6 season record. Tennis players obtained a 4-11 record for their first season. The golfers got into the swing of things ending with 8 victories and 3 losses for the Commanders. And last, but not least, was the track team, winning 3 out of 7 meets. The girls also got into the action this year with track. Competing against other area high schools in 4 track meets, the girls won three of them. As a first year coach, Miss Tate revealed her hidden athletic abilities. Scheduling meets for a girls team was also a challenging experience for athletic director, Mr. Matson. Enthusiasm and interest made the first year of spring sports an exciting one for the athletes and the fans.

Saginaw, Michigan

who said we need graduates at MBT?

whoever it was... is right.

We need lots of them all over the state. Because they're very important persons at Michigan Bell. And handle a lot of responsible jobs . . . like Telephone Operators, Typists, Keypunch Operators, Service Representatives, and many more.

We're sure you've got the special talents these jobs require. So if you want to be involved in the exciting field of telephone communications, now's the time to take advantage of a good opportunity. Be sure to stop by and see us soon.
